**BTCA Specialty, Sweepstakes**  
**January 8, 2010**  
**Judge: Stuart Cairns**

I would like to thank the BTCA and the Orange Coast BTC for inviting me to judge the BTCA Specialty. I was able to combine a few days in Venice Beach, staying only a few yards from the beach, along with a few days in Palm Springs with a school friend from back home in England. Throw in a gorgeous show site, beautiful sunny day and I had a fantastic time. A little bit of a damper was leaving my suit hung in Venice but resourceful friends soon found me shirt and trousers to at least be presentable. Thank you.

**Best Colored in Sweepstakes**

Cathcart & Berez' **ACTIONS REDBULL HEADED TO THE TOP** (Action Top Class ex Action Headliner) An upstanding and high quality bull terrier, shown in beautiful condition. Nicely arced profile with nice fill under the eye. Beautiful straight front and excellent movement coming to, a little close on the go, kept his topline on the go round. His canines were good, sadly undershot but this dog will still be a force to reckon with when he fully matures. Pleased to see he went on to take BOV later in the day with some excellent competition.

**Best White in Sweepstakes**

Avery's **SKYLINES DAZLIN DIAMOND AT TREDECIM** (Dazlin Defender ex Skylines Doubleheader) A wonderful little bitch that was also shown in excellent condition. She was in complete co-ordination with her handler and they made a beautiful couple on the go round. A nice gentle arc with fill and both canines and incisors perfect. She had a good lay back of shoulder and bend of stifle. Good movement coming and going. Still a lot of maturity to finish but I see an easy champion.
