Judge: Rosalind Clamper

My sincere appreciation to the Orange Coast Bull Terrier Club for their invitation to judge at the beautiful Empire Polo Club in Indio, California and to the owners and exhibitors for coming out to show. The weather was just glorious and I was able to escape the snow in Tennessee, at least for a few days. Many thanks also, for the generously filled welcome bag I received upon arrival at the hotel.

COLORED

Winners Dog, Best of Winners and Best of Opposite Sex

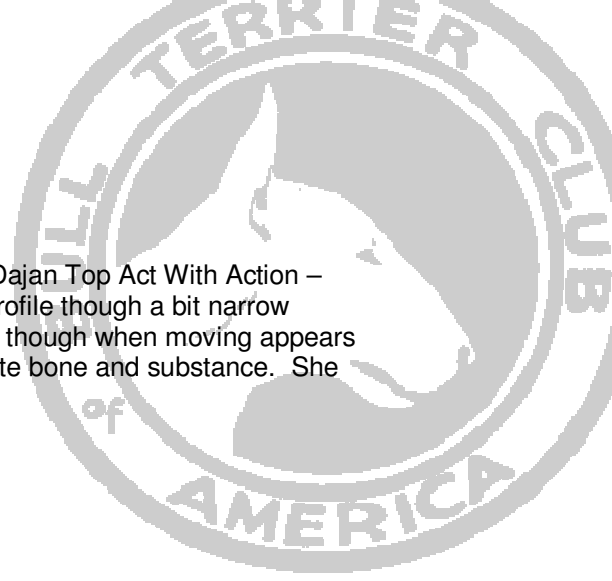

Bebb, Hegg and Myall's **ICENI SHOT TAKEN** (Quicksilver Monster Truck – Ch. Icen Point Taken) A good-looking, rich brindle and white with a nice head having a good profile though I would prefer more width viewed head on. Expression and bite are correct. He has very substantial bone with ample body volume and is nicely balanced. Well made quarters, he moves quite correctly all ways of the ring.

Reserve Winners Dog

Morris and Poole's **ROCKY TOP'S MIDNIGHT SPECIAL** (Legendary Leon Timar – Ch. Rocky Top's Midnight Sky) A fawn/smut and white youngster also with a nice head with a good profile but again needing more width. Eye, ear set, expression and bite are correct. He has solid bone with lots of body though I would prefer him a bit shorter in back. He moves very well down, back and in profile.

Winners Bitch

Aron, Foote and Stewart's **DESLYNNS CRYSTAL CLEAR AT DONNYBROOK** (Aricon Easy on The Eye – Deslynn's Dark Lilly at Donnybrook) A pretty brindle and white with a pleasing head with a nicely turned and finished profile with enough width and a good expression. Her bite is just off from level. She has well balanced bone and substance with shapely quarters. Moves well in profile and coming in, just less so going away.

Reserve Winners Bitch

Lewington and Murphy's **JARROGUE'S SCARLET FEVER** (Ch. Dajan Top Act With Action – Jarrougue's Jacaranda) A red/smut and white bitch with a pretty profile though a bit narrow viewed head on. Her bite is correct. She's very shapely in outline though when moving appears high in the rear. Her front is clean and well made and has adequate bone and substance. She moves better coming in than going away.

Best of Variety

Cummins and Toth-Wheeler's **CH. DESERT SENTINAL VOM JUBEL** (Ch. Shazam's Bee Delivered – Ch. Easy Virtue Eva Von Der Alten Veste) A rich brindle and white with a very pretty profile with reasonable width. Her bite is slightly off from level. Her bone and substance are top notch, neck is long and well arched and topline is firm. Her chest is deep and strong. She has a sturdy, well angulated, muscular rear though her shoulder could be a bit more laid back. She moves with ease all directions of the ring.

Best Bred-By Exhibitor: DESLYNNS CRYSTAL CLEAR AT DONNYBROOK

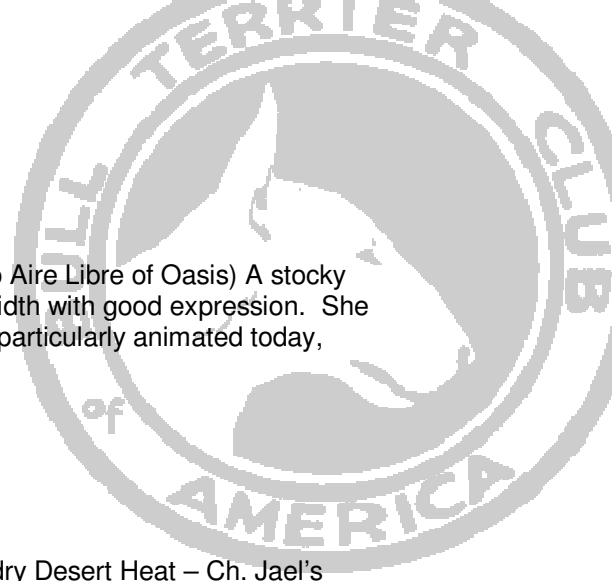

WHITE

Winners Dog, Best of Winners and Best of Opposite Sex

Overby and Woodruff's **EDELWINS DO U BELIEVE IN MAGIC** (Ch. Magor Malcom of Misk – Ch. Edelwin Pandoras Magic Angel) A medium sized boy with a head that's deep and wide though a bit flat in profile. His expression is quite good with a small eye and neat ears. Bite is correct. Standing he has a clean silhouette with very good bone and a strong body proportionate to his size. Quarters are well angulated. He moves out typically down, back and in profile.

Winners Bitch

Garcia's **ELVROC CLEAR THE WAY** (Ch. Silver Bullet The Joker at Javarke – Javarke Crazy Clover at Elvroc) A pretty bitch with quite a fancy profile with enough width, a very keen expression and a correct bite. Her bone is sufficient for her size though I felt she appeared a few pounds light today. Just a year old, she needs more body width and depth and time is certainly on her side. She moves well in profile and coming in, a bit less so going away.

Reserve Winners Bitch

Pizzo's **OASIS PARA BELLUM** (Bilboen Latin Lover – Ch. Allegro Aire Libre of Oasis) A stocky bitch with a decent head needing more profile but has adequate width with good expression. She has very good bone but could be a bit more shapely in body. Not particularly animated today, she moves just fairly all ways of the ring.

Best of Variety

Utt and Gothan's **CH. BULLARDS N ARDRYS HOT ICE** (Ch. Ardry Desert Heat – Ch. Jael's Hammer of Bullards) A substantial bitch with a lovely head in profile with a good eye, expression and a correct bite. Her chest is broad and deep and she possesses very good dense bone, a strong body with excellent substance and well muscled, angulated quarters. She moves well with assurance coming in and in profile, could be a bit better going away.

Select Bitch

Fox and Poole 's **CH. ROCKY TOP'S GLAMOUR GIRL** (Alecto Kool Barra Cuda of Kilacabar – Ch. Rocky Top's Honey 'n Rainbows)
