I would like to extend my thanks to the committee for the honor of judging your show and the hospitality shown towards me. To the exhibitors for the wonderful entry of top class Bull Terriers to go over and the sportsmanship shown to my decisions, many of which were very close.

BOV with some to spare.

Best of Variety.

Ch. Old Englands White Imperial Empress. A eye catching bitch with plenty of quality. Superb feminine head free of exaggeration, correct mouth. Long neck into well laid shoulders and front. Nevertheless, these two bitches have more than enough qualities to compete at top level anywhere.
