(White)

Puppy 9 months and under 12 months bitches

Hernandez, Cairns & Naddeau's Mainely Royal Dutch Starfire – Very feminine youngster, nicely filled head, wicked eye and good mouth. Straight front, good topline and shapely body. Didn't make the most of herself, but once she got moving, she moved fairly well. BEST PUPPY

Puppy 12 to 18 months bitches

Brennan's Emred Devils Romance – White with black ears, Nicely filled head, correct mouth. Good reach of neck. Straight front, good spring of rib. Nicely balanced all through, but still needs to mature. Moved better behind than in front. Well handled but didn't make the most of herself.

Bred by Exhibitor

A very close class to call in this class.

Allen's OC Light's Action Fame – Cobby white with brindle ears and eye patch. Tremendous head, filled right up with good turn down, slight mouth fault, very nicely balanced but needs to tighten up. Good bend of stifle. Moved close behind. From a judges point of view she was hard to handle but settled somewhat later on.
