I certainly thank the Dallas club for inviting me to judge this show. Although the ring wasn't entirely level, it was not in the dirt as it has so often been in the past so I was pleased. I thank the club for the lovely customized hanging bag, a gift I am sure to be using in the future.

1 BULLY MANOR'S GLADIATOR. BREEDER: Owner. By Ch Bully Manor's Centurion-Ch Butterfly Field's Angelica. OWNER: Phyllis Azeur. Gorgeous headed tricolor boy, lovely smooth arc, fill, good eye, slightly off incisors but good canines, beautiful length of head, good reach of neck good bone, body is coming on well, adequate construction, needs better feet. Drives well from the rear. Very promising puppy. **Reserve Winners Dog**

1 GLENTOM PLAYING WITH FIRE. BREEDER: Glenna Wright and Russell Cooke. By Ch Glentom's Bruce Almighty-Ch Glentom's Sneak Preview. OWNER: Glenna Wright and Tom Wright. Red/white, nice outline, attractive head, scissors bite, decent bone, would like blacker pigment (I assume he's an ee red). Overall nice make & shape, nice neck into topline. His front movement was not good with too much action and lack of coordination.

2 LECHMERE THE LIONHEART AT ROCK CREEK. BREEDER: Russell & Alesia Cooke. By Super Bowl's Amadeo-Ch Pearlmart Jolieblon. OWNER: Russell & Alesia Cooke & Tish Weiner. Black brindle/white, nice bone, a bit soft in topline, would like a longer upper arm, nice sidegait, lacked in head profile, scissors bite.

Very pretty brindle/white, lovely front, nicely made, beautiful sweeping head, good mouth, small eye. A little long cast and soft in topline, could have a little more bone. A little soft going away but I felt she was a very pretty bitch.

1 BEAUJEST COSMOPOLITAN. BREEDER: Gregory Anderson. By Ch Elcornijal AM Silver Star-Ch Ruby Tuesday The Joker. OWNER: Glenna Wright & Amber C Gibson. Black brindle/white with good head but quite undershot with instanding canine. Nice front, a little too roached over the croup, nice coming and going. Her toenails were much too long. **Reserve**

Best of Variety Competition .

Best of Opposite Sex to CH TERJO'S CELTIC BROKEN ARROW. BREEDER: T Hylands & J Hylands. By Megavilles Sardonicus-Javarke Calico of Terjo's. OWNER: Paul Hopkins & Miriam Hopkins. Rare to see a solid brindle in the ring and what a smashing good bitch this one is. She has a deep, strong, beautifully arced and filled head with good mouth, lovely neck, well made throughout with good substance and lovely bone, beautiful straight front and excellent cat feet. I would shorten her up slightly and found she moved nicely going and side but wings a little on the come.

Special mention of CH. AM. MEX.NOCTURNAL KNIGHT AT ARNOLD'S. BREEDER: Bianca Wakker-Vaags. By Tierwgwyn Welsh Dragon-Nosey Parker The Imperial Wizard. OWNER: Gregory Anderson and Arnoldo Salazar Salas. Really striking red/white with super virtues of substance, power yet all quality. His head is wide and beautifully filled, very acceptable profile, nice neck, well made construction and moving well. His front is good and his angles are pleasing. Somewhat gay tail and quite loose, flattened feet.

1 BULLSUNLIMITED ARASHI (NETHERLANDS). BREEDER: B Kruisjer-Van Hoven. By Ch Ch Bullbrit Little Big Horn at Bullyview-Buku Angel From Hell. OWNER: Arnoldo Salazar Salas. Overall nice dog, very good bone, long strong head, nice downface but would prefer more arc, good reach of neck, decent but not outstanding make and shape but he seemed the most powerful of the class dogs. **Winners Dog**

2 SONATEL STAND TALL AT KILACABAR. BREEDER: MR L M & MRS S J MORGAN. By ALECTO KOOL BARRA CUDA OF KILACABAR-SONATEL SONG AND DANCE. OWNER: ROGER GARCIA. Bred-By-Exhibitor Dogs .

1 SERENDIPITY BRUTUS BEEFCAKE. BREEDER: Jeff Klein. By Ch Victoria's Grimaldi Windfall-Serendipity American Gothic. OWNER: Jeff Klein. There were a number of things I liked about this dog: his depth of head, length of foreface, I liked his power, nice bone. A little soft in topline, a little soft in pasterns. Undershot bite, nice moving coming and going. I felt he had some powerful and positive virtues.

Twelve To Eighteen Month Bitches .

By Ch Cool Conquistador A very pretty package with all the essentials, nice make and shape with lovely shoulder and rear angles, lovely neck, good short back, beautiful gunbarrel front, moved pretty well. 1 GLENTOM BOCK'S INO WUTZUNDER DASCOTSMANS KILT. BREEDER: Amber Gibson & Glenna Wright. By Ch Cool Conquistador at Crossgarley-Ch Glentom Lucky Charm. OWNER: Amber Gibson & Glenna Wright. Both of these bitches were very close for proportion and quality, this one had a tinier eye, a little cleaner in front, a little stronger in rear, more animated showing off her virtues. Nice make & shape, could be a little shorter backed, reverse scissors bite.

2 GLENTOM LEBEOUF'S QUEEN DANCING CREEK. BREEDER: Glenna Wright & Fred & Judy Schneider. By Ch Dazlin Defiance-Ch Glentom Pearljam De Mint RN. OWNER: Glenna Wright & Fred Schneider. Very similar to above, nice front but not quite a good as above, not as good on the go, a little bit gay in tail, good bite. I felt the above winner compelled me in terms of her slightly better front, feet and rear but very close between these two.

American-Bred Bitches .

1 LEBEOUF PINCESS NAKED AS A JAYBIRD OF GLENTOM. BREEDER: Judy & Fred Schneider & Glenna Wright. By Ch Dazlin Defiance-Ch Glentom Pearljam DeMint RN. OWNER: Christoph Illenhaus & Fred Schneider. 2 DAUNTLESS ALWAYS CLOWNIN AROUND. BREEDER: Lionel Landry. By Ch Bogart's The Whole World Luv's A Clown-Ch Serendipity Lazy Dazy. OWNER: Lionel A. & Pamela K Landry. Decent make & shape, needed more bone, would like a cleaner front, quite undershot bite.

Best of Variety Competition .

Best of Opposite Sex CH ROCKY TOP'S LEADING MAN. Dog. BREEDER: Lori & Greg Stafford & Rebecca & William Poole. By Alecto Kool Barra Cuda of Kilacabar-Ch Rocky Top's Honey 'N Rainbows. OWNER: Terri & Robert Blackwell & Rebecca & William Poole. Big pluses and noticeable minuses with this one. Behind the collar this dog is magnificent with an unending list of superlatives beginning with a beautifully laid back shoulder, long neck, superb round bone and excellent cat feet, lovely front, beautifully angled rear, compact outline, lovely substance and very good movement. His head is powerful and deep, adequately filled with a nice strong jaw, tight canines. His profile is exceedingly displeasing to my eye as it is very skully. I rewarded him for his exceptional virtue countered against his faults and felt while the breed has many beautifully headed dogs we are sorely lacking in dogs with the excellence of construction this dog possesses.
