

**Fort Dearborn Bull Terrier Club**  
**April 10, 2009**  
**Judge: Dale Schuur**

The depth of quality in both varieties was excellent, particularly so in the white specials class. It was truly an example of the sweet agony of judging, so many excellent animals and two prizes to award. My sincere congratulations to the breeders and owners of all the fine examples of the breed which were shown. A big thank-you to the exhibitors, as it is an honor and privilege to be permitted to examine your dogs so closely, and thanks to the Club for inviting me to judge a really good entry of 40 Bull Terriers.

#### **COLORED 5-9-(3-2)**

##### **Reserve Winners Dog**

Turner and Jones' **IMPERIAL'S SMOKY DIAMOND AT WILMAR'S** (Ch. Cool Conquistador at Crossgarley ex Ch. Flashbak's Amazing Grace) A really nice black brindle and white puppy. Head has very good fill, good length and a pleasing profile. Mouth good. Heavy bone and good body for his age. Movement OK, a bit "puppy loose". Lots of good bits and very promising, will look forward to seeing how he matures.

##### **Winners Dog**

Bovino, Grecco & Bankus' **ARAGON'S SONNY SIDE UP** (Ch. Baker Street Back to Bonanza ex Ch. Horizon's Harmony of Aragon) Beautiful mahogany brindle and white. Moderate sized puppy dog with good bone and body for his young age. He is reasonably square, and a bit tighter knit at this stage than RWD. Head is impressive with excellent fill, profile and expression. Mouth just off a bit. Will also be interested in seeing this dog mature

##### **Reserve Winners Bitch**

Robichaud's **BULLAYR BARK AT THE MOON** (Ch. Gwynsel It's Not Unusual ex Scarlet Moon the Joker) Lovely red and white smut bitch. Excellent bone and body for her young age. Head has very pleasing profile and good width and fill. Mouth good. Stacks herself well. Topline a bit soft on the "go round", and one could wish her a little shorter coupled, but a high quality bitch none the less. A credit to her parents and reminiscent of her mother, who was WB I found out later.

##### **Winners Bitch and Best of Winners**

Bozian's **SCARLET MOON THE JOKER** (Ch. Rocky Top's Sundance Kid ex Rodeo Queen the Joker) Upstanding mature red smut bitch. Lovely strong head and beautiful head carriage. Slight mouth fault. Very good bone and enough body for size. Moves with free and easy strides up and back. Also a tad long cast, but all quality. I've judged her before and always been impressed with her virtue, so it was a pleasure to be able to give her a top spot.

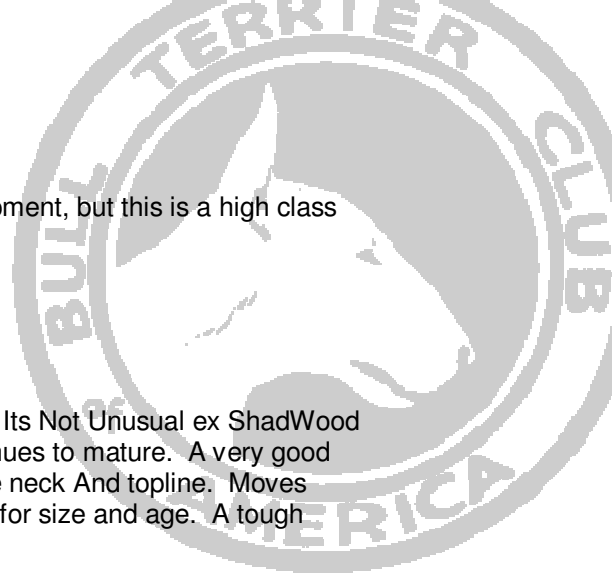

##### **Best of Opposite Sex**

Everett, Chorn, Mills & Banku' **CRESCENT SILMARIL QUIXOTIC** (Ch. Boromir Quicksilver ex Ch Silmaril Scarlett Temptress) Upstanding brindle and white bitch. Excellent bone, pretty outline, very good length of neck and a free and easy mover. Head has enough profile with good width and fill, mouth good. She showed "flat out" and was impeccably handled. Ideally, I'd like a little less scope, but still a quality exhibit. I was told after that this completed her requirements for ROM.

##### **Best of Variety and BEST OF OPPOSITE SEX TO BREED**

McGrath & Smith **CH. MAGOR MATINEE SPECIAL** (Ch. Acie's Empire Maker ex Magor Steel Magnolia of Misk). Dark brindle and white very masculine dog. Head has very good length and fill, mouth good. He has a very nice profile, and when he uses his ears, an excellent expression. Body is substantial with very good bone and rib spring, and he's a good compact mover. Ideally,

I'd like just a bit more length of leg and a tad more withers development, but this is a high class dog who continues to improve as he's matured.

### **WHITE 3-9-(2-4)**

#### **Reserve Winners Dog**

Bila & Thomas' **MOONSTONE SAW NO SHADOW** (Ch. Gwynsel Its Not Unusual ex ShadWood Moonstone Brown Eyed Girl ) A high quality young dog who continues to mature. A very good head and expression, with excellent length and adequate fill. Nice neck And topline. Moves pretty well both ways. Bone and substance and body appropriate for size and age. A tough choice for WD, his quality vs. WD cobbiness

#### **Winners Dog and Best of Winners**

Grecco & Bankus' **ARAGON RUFFIN LOCK N LOAD** (Ch. Baker Street Back to Bonanza ex Ch. Horizon's Harmony of Aragon) Short backed, medium sized young white dog with good bone and body for size. Head is medium length with very good fill and a pleasing profile. Nice neck, good eye and excellent ear set. Moves squarely both ways. He was being a bit excitable and a challenge for is handler, but finely settled enough to his task to earn these placements.

#### **Reserve Winners Bitch**

Perrott, Carter & Deevers' **APPRENTICE JUST-IN TIME** (Ch. Old Forge Modern Dash Riprock ex Ch. Apprentice's Sittin Pretty) Quality white bitch. Head has pleasing profile, good fill and moderate length. Incisor's good. Lovely clean straight front with nice round bone and good body. Moves cleanly and freely in front, just a touch close behind. Pressed hard for winners.

#### **Winners Bitch**

Bankus & Grecco **ARAGON RUFFIN TUMBLE** (Ch. Boromir Quicksilver ex Ch. Corsaire Con Brio) Larger white bitch with very good bone, substance and body volume for size. Head has very good length, OK width and could use just a bit more fill. Profile is pleasing, mouth is correct. Nice neck and shoulder. Won this spot on length of head, good neck and withers with short back. Moves OK both ways

#### **Best of Opposite Sex**

Altmann's **CH. ACTION DREAM COME TRUE** (Ch. Old Forge Tug McGraw at Chevalier ex Ch. Action Moonbeam Dream) Short backed, medium sized dog. Good bone and substance for size. Moves squarely. Head has good length, width and enough fill, with an outstanding expression. A very nice combination of quality and type.

#### **Best of Variety and BEST OF BREED**

Schutt & Smith's **MAGOR MOONLIT MASQUERADE** (Ch. Acie's Empire Maker ex Magor Steel Magnolia of Misk) A really outstanding "brood bitch" type. Head is extremely impressive with terrific length width and fill, all with a perfect mouth. Very good expression. Excellent bone and substance. Moves pretty well both ways. Not cobby, but good proportions. Won these spots based on her outstanding head and many brood bitch qualities. I'd bet she proves to be the "goose who lays the golden eggs".
