It was a perfect day in Crown Point, Indiana and the venue was very nice with Bull Terriers having their own building for their Friday evening show. This made for a very personable, relaxed event. Many thanks to the Fort Dearborn Bull Terrier Club for the opportunity to judge and partake of the club's wonderful hospitality and raffle. It was a thoroughly enjoyable evening. Many thanks to Mike Costa for his ferrying. And, most of all, my gratitude to all the exhibitors.

Moderate sized, well marked black and white. Head is on the short side with fully turned profile. Good finish. Just adequate fill. Would benefit from keener expression and better ear set. Mouth just under with correct canines. Best bone of the boys today. Good reach of neck. Short coupled. Angulated hind leg. Good tail set. Moved fluidly to the side. Positive depth of chest. Moves closely going away, more truly coming. Needs tone.

Smith's **Magor Million Dollar Baby** (Ch. Dajan Top Act with Action x Ch. Magor Matchless Matrix)

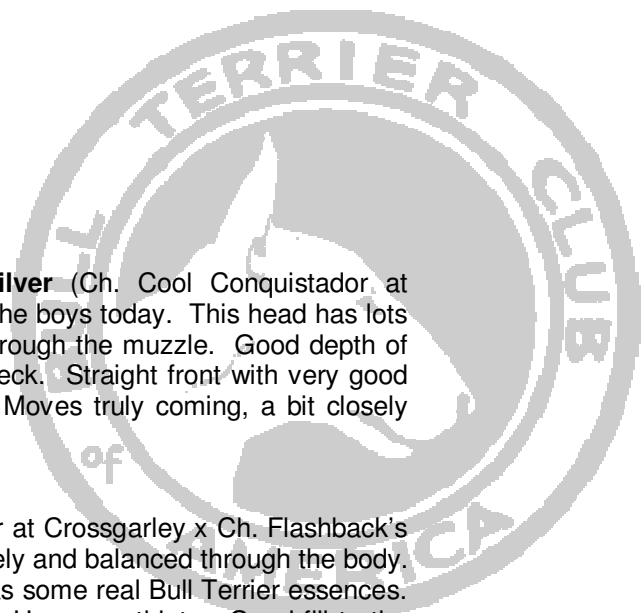

Well marked, substantial brindle and white exuding strengths and quality. Pretty, classical head that is fully turned with good fill and finish. Positive length of foreface. Good expression. Correct mouth. Reachy neck. Most bone of the bitches today. Straight front set well under her. Could wish for better lay to the shoulder and a bit more strength behind the withers. Plenty of depth and volume to the body while maintaining good athleticism. Powerful hind quarters with good bend to the stifle. Moves well all ways with reach and drive. Her bone and substance, head quality and shorter back carried her to the top honors today.

##### **Reserve Winners Bitch**

Woods and Frascione's **Sinabar Lady La Bella at Bullover** (Ch. Bestwall Razor Redicut x Starstruck Peekaboo) Richly colored, nicely marked, feminine brindle and white puppy. Pretty headpiece that possesses good turn, enough fill, good expression and correct mouth. Reachy neck. Appropriate angulation to the hind quarters. Good tail set. Needs time to pop. Moves closely in both directions. Very nicely presented.

Strong muscular neck leads into straight front with round bone extending through the pasterns. Short coupled with breadth and depth through the body. Correct angulation behind. Good tail set. Moved parallel all ways. Very nicely presented and showing well. Very useful type of dog.

### Winners Dog, Best of Opposite Sex

Graulau and Wright's **Glentom Conquistador Seeking Silver** (Ch. Cool Conquistador at Crossgarley x Ch. Glentom Silver Lining) Best headed dog of the boys today. This head has lots of power being very well filled and turned. Excellent depth through the muzzle. Good depth of underjaw. Very good expression. Correct mouth. Reachy neck. Straight front with very good bone. Immature through the body. Soft across the topline. Moves truly coming, a bit closely going. Time is on his side.

### Reserve Winners Dog

Hantelmann's **Imperial's No Excuses** (Ch. Cool Conquistador at Crossgarley x Ch. Flashback's Amazing Grace) More upstanding, clean lined dog. Very shapely and balanced through the body. While not the bone or head power of Winners Dog, this dog has some real Bull Terrier essences. His topline is very solid and his second thigh well developed. He says athlete. Good fill to the head. Keen expression. Mouth is reverse scissors with correct canines. Lovely arch to the neck. Straight front. Shapely underline. Moved most truly going away. Presented in good condition.

### Winners Bitch (and Best of Winners)

Snider's **Bullards Good Hearted Woman** (Ch. Dajan Top Act with Action x Shadowwood Simply Beewitching) Lovely, balanced young bitch with lots of virtues. Her pretty head is clean with good length, fill and turn. Positive finish. Good expression. Correct mouth. Decent reach to the neck. Spot on, clean front with tight, cat like feet. Most bone of the bitches today. Good lines to the body with strong topline and shapely underline. Well developed second thigh compliments correct rear angulation. Good tail set. Cheerful on the move but going truly when settled. Looking forward to watching her mature.

### Reserve Winners Bitch

Briedenstein's **Acie's Norma Jean** (Acie's Fly N First Class x Acie's Dress to Thrill) Good boned bitch with positive fill to her head that extends through the muzzle. Smooth profile. Good expression. Incisors are under with correct canines. Very good feet. Good width to the forechest. Ribs well sprung. Shapely through the body. A bit soft behind the withers. Adequate angulation behind. Good tail set. Would wish for more angle and power at both ends but her plusses of bone and substance and fill to the head earned her the reserve spot.

### Best of Variety

Smith's **Ch. Bullysmith Sunny Times Ahead** (Ch. Dajan Top Act with Action x Action Bullysmith Times Up) Lovely lines to this girl who is looking mature and presented in very good condition. Head has length with a sweeping, strong profile, complimented with pretty shape to the top skull and strong finish. Good expression. Incisors just off with correct canines. Nice reach and arch to the neck. Balanced through the body with good depth to the brisket and spring of rib. Slight arch over the loins. Well angled behind which allows for good drive. Could wish for more bone and tighter feet. Beautifully presented and very deserving today.
