

OLD DOMINION KENNEL CLUB

APRIL 18, 2009

JUDGE: PHIL BRODEUR

I would like to thank the club for asking me to judge your show. It is a really nice venue and I had a great time!

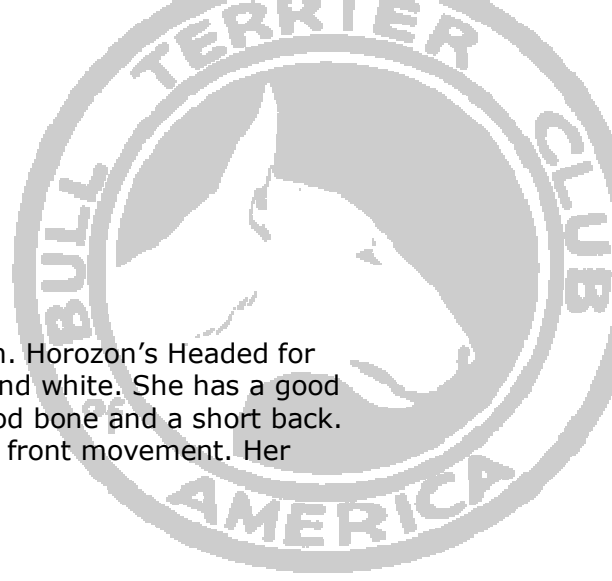

COLORED

RWD

Parrish and Crossan's **Total Reload From Buchanway** (Ceilteach Nimrod of Crossgarley ex Misty Magic at Olivan). A typy tri who immediately catches your eye. He has a good head with width, fill and depth. Good expression. Mouth slightly off. Short back. Good bone. Upright in shoulder and short in forearm which restricts his front movement and affects his topline. However, I appreciated his type. Close decision for Winners.

WD, BOS

Olson, Shortall and Berez' **Action Top Class** (Ch. Bestuvall Razor Redi Cut ex Ch. Dajan Classy Action). A statuesque black brindle and white with nice lines. He has a good head with length, fill and turn. Perfect mouth. Good front and shoulder. A bit roachy in rear. Needs a bit more time to fully mature. Moved well in front, a bit slack in rear.

RWB

Frostick and Miller's **Natchez Sirius C'est Tres Belle** (Ch. Horozon's Headed for Trouble ex Ch. Natchez Sirius China Doll) A typy brindle and white. She has a good head with fill and turn. Mouth is off. Good expression. Good bone and a short back. Her shoulder construction is not her fortune, affecting her front movement. Her typiness, however, is undeniable!

WB, BOW

Giamo and Bishop's **Bullful's Instant Karma at Minotaur** (Ch. Rocky Top's Sundance Kid ex Merlindan Sugar "N Spice) A lovely red and white. She has a nice long head with good finish. A bit more fill under the eyes would help. Good front and shoulder. Could use a bit more bone and a shorter back. Moved well. A nice package.

BOV

Hains, Berez and Evans' **Ch. Action Drama Queen** (Action One In a Million ex Action Voodoo Princess) A lovely brindle and white with a cracking good head. It has length, turn and finish...a bit more fill under the eyes would complete it. She has a good front and shoulder but a tad more length of leg would help balance the picture. Moved well and showed beautifully. Very deserving on the day.

WHITE

WD, BOS

Moody and Allen's **OC What A Heartbreaker O'Action** (Kaleco Get a Grip ex Ch. Action Queen of My Heart) A nice puppy with much to appreciate. He has a nice wide head with fill and depth...a bit more turn and finish would complete it. Good expression. Nice bone and a good front and shoulder. Just a baby, he holds some promise!

RWD

Vranesic's **Grisse Basse Strictness Spy** (Quest Pomeroy ex Quest Heritage)

He has a nice long head that could use more fill under the eyes. Not as good an expression as winner. Nice short back. Could use a bit more bone. Moved well.

WB, BOW

Wendler and Deitz' **Shazam St. George Taste Of Honey** (Gwynsel It's Not Unusual ex Shazam's Bit O'Honey) A young girl who caught my eye. She has a wide, strong head with good fill. Mouth is off. I would like a bit more obliquely placed eye. Good bone and spring of rib. Slightly upright in shoulder. Needs a bit more time to finish the presentation.

RWB

Allen and Corse's **OC Harbour Lights O' Malvern** (Corsaire Chromehoss O' Tearock ex Malvern Valentine) A very typy package! She has a lovely head with length, strength and turn. Good expression. Good bone and substance with nice spring of rib. Her cross is her front and shoulder construction which is quite noticeable standing and on the move. Typy brood bitch virtues, however!

BOV

Berez' **Ch. Action Dreams of the Divine** (Ch. Old Forge Tug McGraw at Chevalier ex Ch. Action Moonbeam Dream) A lovely girl just coming into her finished package. She has a nice head with length and turn... a bit more fill and width would complete it. Good mouth. Nice front but I would like a bit more layback of shoulder and a tad more bone. Short back. A nice picture presenting femininity and style
