**BRONZE TROPHY**

A big thank you to the Bull Terrier Fanciers for inviting me to judge the Open Trophy show and refereeing the Bronze. I had a great time. It was so nice to see some of my Canadian friends again, and some great Canadian Bullies and Niagara Falls. Thank you to Gayle and Dick Denman and to Ken Lock for all of your chauffeuring around Canada.

For the Bronze trophy I was asked to referee between the Colored bitch Ch Brigadoon Go Go Boots ROM and the white dog Ch Kilacabar Cuchulainn.

Go Go Boots is a super typey showy black brindle bitch. Her head is strong with a very good profile and finish with a correct bite. Good bone short back. Movement good.

Cuchulainn has matured in to quite a handsome dog. Good head nice profile good bite. Great expression. Nice all around type of dog. Movement very good. Showed and handled to perfection. I liked him very much.

Either one would have been a worthy winner. Today I chose Go Go Boots on her strength of head and breed type. Cuchulainn was runner up and BOS

For the Movement Trophy I was asked to referee between Ch Bullennium Big Bazooka and Ch Rootn Flirtn with Texas. I chose Ch Bullennium Big Bazooka who I had picked while watching the Bronze and thought him to be one of the best moving dogs.
