Judge: Dale Schuur

Always an honor to judge for the Fanciers, I was called as a last minute emergency replacement. I thought the overall quality high, and the bitches spectacular. These shows held in conjunction with the Bronze Trophy are really an outstanding event in a beautiful part of the world. Try to make it if you can, it's worth the trip.

Reserve Winners Dog

Radford's **WARRADCASEY NIGHT FEVER OF KILACABAR** (Alecto Cool Barracuda of Kilacabar ex Diamond Diva From Warradcasey) Mature typey moderate sized white dog. Excellent expression and profile, enough fill. Cobby, well boned and bodied. Carrying a touch too much weight. Moves OK in front, a touch close behind, though with good reach and drive.

Winners Dog

Weiss' & Gray's **ZIRCON THUNDERALLY BOLD BAXTER** (Ch. Mighty Bull Chap Jester ex Ultimatejoy's Special Zircon) Beautiful mahogany brindle and white. Moderate sized puppy dog with enough bone and body for his young age. He is reasonably square and cobby, and more tightly knit at this stage than the other puppies. Head is impressive with excellent width and fill, nice profile and good expression. Mouth level. Will be interested in seeing this dog mature

Reserve Winners Bitch

Cook & Parker's **NUANCE NONCHALANCE** (Silmaril Scarlet Knight ex Nuance Nonconformance) Brindle and white bitch moderate sized with excellent bone and substance. Very nice front and neck. Impressive head piece with a beautiful profile, terrific expression and very good fill. Mouth level. She moves OK in front, but close behind. She has many outstanding virtues and it was the toughest decision on the day between her and WB.

Best of Opposite Sex

Riegraf & Radford's **KILACABAR CUCHULAINN** (Noseretap Celtic Star At Kilacabar ex Bullbrit Love Me Do) Typey mature white dog. Very cobby and nice neck. Head has a pleasing profile and outstanding expression. Bone appropriate for size. Moves pretty well in front and OK behind. Won this spot on his type and overall square compact package.

Winners Bitch, Best of Winners and Best of Breed

Alexander's **BRIGADOON GOGO BOOTS** (Brenbull's Root For Me ex Brigadoon Etoile Blanc). Rich brindle with small amount of white. She impresses with lots of power in smaller, very compact package. Head is medium length with nice profile and very good fill. Good expression. Body is compact, well boned with good rib spring and short back. Moves OK in front and just a bit close behind. Overall a terrific combination of type, bone and substance, and quality. I was a fan of her mother's and she has certainly "produced the goods" in this daughter.
