Many thanks to the Bull Terrier Fanciers Association for the invitation to judge on the Bronze Trophy weekend. My appreciation to Gord Williams and Carol Gray for seeing to the many details of my stay and to all the members of the Fanciers for making me feel so welcome. The goody bag provided by the Fanciers which was in my room upon arrival was filled with fruit and all types of snacks including a lovely bottle of wine. This gesture was so thoughtful and appreciated after a long travel day to Niagara Falls. And the beautiful judge's gift will always remind me of a truly memorable weekend.

The Bull Terrier Fanciers Association is the only regional club having to independently hire seven judges every year for their Specialty weekend. They should be commended for all their hard work.

Reserve Winners Dog

Wilson and Dussault's **LEGACY HUGHES YOUR DADDY OF WINSOR** (Ch. Victoria's Grimaldi Windfall – Ch. Winsors Hope Springs Eternal) An upstanding white dog with a long, sweeping profile with a very good eye and expression along with a correct bite. I would prefer a bit more width viewed head on. He's well made with first-rate bone and substance for his size, good length of neck with a firm top line and balanced front and rear angles. He moves well going away and in profile, a bit close coming in.

Winners Dog

McGrath and Smith's **AM. CH. MAGOR MATINEE SPECIAL** (Acie's Empire Maker – Magor Steel Magnolia of Misk) A rich black brindle and white with a masculine head combining a very good profile along with length, depth, fill and plenty of width. He has a penetrating expression and a correct bite. His admirable, round bone is undeniable and is in perfect weight with hard, sound muscle. His chest is strong and deep, his top line solid and his front and rear are well angulated with a correct shoulder and superb bend of stifle. His movement is excellent in profile and coming in, just less so going away.

Reserve Winners Bitch

Ebey, Perrrott, Quigg and Berez' **STONEWALL'S HOT ACTION HOLIDAY** (Ch. Lonestar Whole Lota Hoopla – Action Quigby Wreaking Havoc) A white bitch with a dramatic head in profile, a sweeping finish with loads of fill and a wicked expression. Her bite is a few incisors off from level. Her bone and substance are nicely balanced, her top line is strong though I would prefer her just a bit shorter. Her shoulder and rear are nicely made and well angulated. She moves soundly coming in, just a bit close going away.

Winners Bitch and Best of Winners

Snider and Long's **BULLIARDS GOOD HEARTED WOMAN** (Ch. Dajan Top Act With Action – Ch. Shadowood Simply Beewitching) A very beautiful white bitch who immediately impresses with her sweeping head, classic flowing outline, and lovely balanced shape. Her head is strong, deep and finished with sufficient width, a perfect locked over scissor bite and a piercing expression. Her neck is long, top line strong and of correct length and her chest is deep and wide. Bone and substance are first-class. Her quarters are beautifully made and angulated and she just can't put a foot wrong. Her typical, sound movement all ways of the ring was the best of the day.

Best of Opposite Sex

Jacobsen and Whyte's **CH. ROOTN FLIRTN WITH TEXAS** (Action Captain America – Ch. Lonestar Flirt With Fire) A supremely masculine black brindle and white with a powerful, wide head which is beautifully finished and turned. His bite is correct. A dark, correctly placed eye and tidy, well set ears combine for a keen expression. His chest is very deep and wide, his bone strong and round and his substance abundant. He has a short, strong back and muscular quarters which are sufficiently angulated. He moves with great power and authority all ways of the ring.

Best of Breed

Breese and Blackwell's **CH. BULLENIUM DOUBLE BUBBLE** (Ch. Bullistic's Turbulence – Ch. Lonestar Bubblecious) What a treat to see this virtuous brindle and white bitch again. A powerhouse of a bitch she has a lovely long head with a turned and finished profile, tremendous muzzle strength and a correct bite. Her expression is penetrating with a small, dark eye and ears set right on top of her head. She has a graceful neck with a good top line, a wide chest with ample depth and profuse bone with plentiful substance. She has strong, well muscled quarters. Her rear is beautifully bent with a lovely turn of stifle though her shoulder could be a bit more laid-back. She moves decisively with assurance and power all ways around the ring.

Best Puppy

Radford's **MULLIGAN MAYHEM DISCO INFERNO** (Warradcasey Night Fever of Kilacabar – Bullyrook's Dream Weaver)
