I want to thank the BTFA for the invitation to judge this show. I have to admit guilty pleasure in having a beautiful hotel room right across from Niagara Falls. The show site was just the perfect size and conditions which so improves the experience for judge and exhibitors alike.

Breeder: Jodi Matton, Darcy Bedard, Owners: Jodi Matton – Brindle/white, some very strong virtues in this dog, very compact, super bone for his size and beautiful feet, very wide head, nice profile, lacking some in angulation, toes out a bit.

Canadian Bred Dog

1st MAGOR MATINEE SPECIAL by Acies Empire Maker ex Magor Steel Magnolia of Misk. Breeders: Norma & Gordon Smith, Owners: Graham & Karen McGrath – Dark brindle/white, plenty of virtues in this dog, long deep curved head, small eye which could be a titch darker, good bite, nice reach of neck, lovely bone, could stand a little truer in front, nice ribspring, would like a shorter back, nice shoulder and rear angle, felt he could have reached better on front and looking a little sloppy on the go although showing very good rear drive from the side. Pressed strongly for a higher award. **Winners Dog**

2nd BULLAYR MOODANCE by Gwynsel Its Not Unusual ex Ch Scarlet Moon the Joker. Breeders: Lori Bozian, Owners: Beverly Bratty and Theresia de la Comte – Striking headed red/white with super depth and profile and width. Eye a bit light and large. Breeder: Victoria Cullis, Owner: Brian & Ann Radford – Very pretty white girl, lovely front, head very fancy with beautiful sweep, keen tiny eye, super clean mover, lots of substance, decent bone, would like her quite a bit shorter backed. **Best Puppy**

Senior Puppy Bitches

1st CABEN N PARADOX SWEET MUSE-IC by Ch Terjo's the Vital Spark ex Paradox Muse-Ic to My Ears. Breeders: Owners: Glenn Snyder & Jeanne Fournier-Fike – Such super type on this brindle/white girl. She has a gorgeous swept over head, I loved her super tidy front – probably the best I saw today – short back, lovely neck, nice bone, and lovely cat feet. Would like a slightly smaller eye, she isn't a very clean mover right now which unfortunately which cost her best puppy but it was definitely nip and tuck.

Breeders: Jeanne Fournier-Fike, Scott Fike, G Snyder, Owners: Catherine Fike and J Fournier-Fike – Pretty bitch with nice lines, good angulation, a little open in eye, good bite, not as clean in front as above.

Breeders: Cindy Perrott, Barb Deevers, Owners: Catherine & Jim Landsborough and Cynthia Perrott, Barb Deevers – Red/white – I appreciated her straight front but the forehead is problematic, just decent bone, decent profile, would like quite a bit more width in muzzle, nice eye.

3rd AXELBELLE BECKY LOU by Mayhem Dram Warrior ex Ch Bluesteel's She's My Bella.
Breeders: Karolina Prokupek, Owners: Karolina Propupek and Mario Brozich – Red/white, decent overall qualities in this one, could have deeper underjaw, I was disappointed in her condition.

Bred By Exhibitor

1st LEGACY LUCKY ROSE OF WINSOR by Ch Victoria's Grimaldi Windfall ex Ch Winsors Hope Springs Eternal. Breeders: Owners: Dede Wilson and Marion Dussault – Pretty tri girl, reminds me of the old Banbury type, very compact and nicely put together, pretty head with length and nice profile, good substance.

Open Bitches

1st STONEWALLS HOT ACTION HOLIDAY by Ch Lonestar Whole Lota Hoopla ex Action Quigley Wreaking Havoc. Breeders: Owners: Eileen Ebey and Cynthia Perrott, Nona Quigg, Franne Berez – Very pretty bitch, head profile all and more than what you'd want with high unbroken arc, lovely eye shape but color could be darker, pretty neck, lovely cat feet, nice bone, overall good make, would like her to reach a bit more freely in the shoulder, there can be no half way with this bitch, either you will appreciate her extreme characteristics or you will not. **Winners Bitch, Best of Winners, Best of Breed**

2nd SANDSTONE'S SCARLET FEVER by Terjo's the Vital Spark ex Sandstone's Rock Candy.
Breeders: Owners: Tyrone & Melanie Whitehair – Elegant bitch, long foreface, nice ear angle, nice reach of neck, wish she stood more truly in front, would like her shorter backed.

3rd BULLENIUMS HONEYMOON AT SETTEBELLO by Ch Bullenium Big Bazooka ex Ch Kholander Kinda Refined. Breeders: Cheryl Clemmensen, Valerie Blackwell, Owners: Daphne Breese and Valerie Blackwell – Black brindle, very clean sort of bitch, lovely neck, pretty shoulder, nice front, head is long and decently filled would give her a little bit more profile and a little shorter back.

4th ACTION PURE CLASS by Bestuvall Razor Redi Cut ex Dajan Classy Action. Breeder: Franne Berez, Owners: Channa Beth Butcher and Steve Butcher and Franne Berez – Overall nice outline on this bitch, good rear angle, liked her neck and shoulder, head rather short with an untidy appearance of thickness at the throat, lovely straight front, I would have liked stronger rear movement and thought she was quite erratic on the come.

Breeder: Owners: Terrena Jacobsen and Glen Whyte - Very handsome dark brindle, short back, lovely substance, good bone, wide well filled head with just enough profile, good bite, strong rear movement and wonderful side moving today, a little bowed in front and a little loose on the come.
