

Bull Terrier Club of New England

LADIES DOG CLUB INC.

MAY 20, 2009

Judge: Mr. Jon Cole

COLORED ENTRY 31

WINNERS DOG/BEST OF WINNERS

Skyline Defies Dazlin (Ch. Dazlin Defiance ex Ch Skylines Sticks N' Stones).
Owner – Woodman. Very nice young dog. Taken from the 6-9 months class. He is red and white. There is balance with appropriate bone and good tight feet. He has a good egg shaped head with fill under the eyes. The ears are on top of the head and a proper mouth. Nice neck length and level top line. The tail was set satisfactorily. Defies has good reach and drive when he is not acting puppy.

RESERVE WINNERS DOG

Silverlings Ironclad Gent (Ch Denton Winsors Deuces Wild ex Silverlinings Duchess of NY). Owner – Milkens/Burns. Tri-colored dog with a compact body. He has a very strong head. Mouth is off. He has a dip behind the withers when he moves and has a high tail set. Did have good reach and drive.

WINNERS BITCH

Dogmore's Delightful Diva (Bealams Run of the Roses ex Gothic's Eggzocist).
Owner – Baxter. Brindle bitch with a lot of white markings. She has a square compact body with appropriate bone and tight feet. She has a correct bite. Diva has a slight dip just below the eyes in her profile. Still young, this could improve. Diva has a nice chest with straight legs in the front. Moves well around the ring.

RESERVE WINNERS BITCH

Philgin Fine Line (Ch Sarajeni Rockin at the Philgin ex Philgin Dreamcatcher).
Owner – Broedeur. Well balanced bitch who is a black brindle. Has a better profile than the winners, but has a dip behind the withers when moving. Bone goes with the body. Line has good feet, and moves easily around the ring.

BOV

Ch Corsaire Dark Horse (Corsaire Chromehoss O' Tearock ex Bulroarus Lucky Money). Owner – Corse/Giusti. Tri-colored male who is very large and heavy boned. Bone fits and so does his head. The head is well filled and egged shaped. Good eyes. Mouth not perfect. Horse is balanced standing. He has good reach and drive in profile and moves correctly down and back. He carries his top line when he moves.

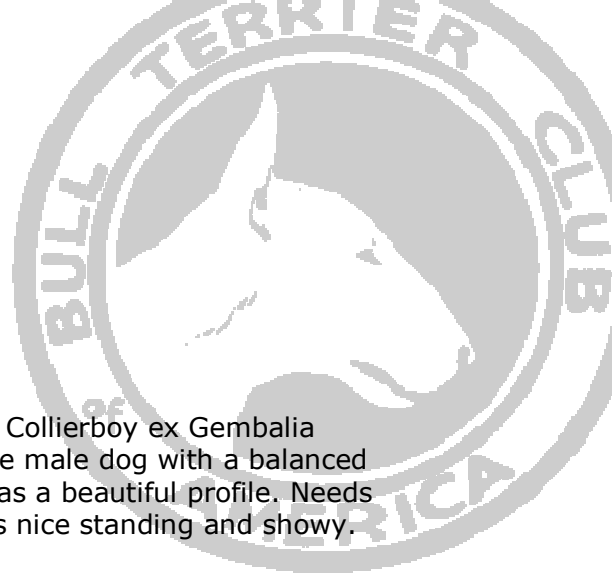

BOS

Ch Winsors Hot Mocha Java (Ch Elcornijal Am Silver Star ex Beton's Right Star of Winsor). Owner – Dussault/Wilson/Wilson. Tri-colored bitch that is balanced. She has a good profile and fill. Ears on top of her head. Body and bone good for her size. Moves well. Soft behind withers.

WHITE ENTRY 24

WINNERS DOG

Corsaire The Courier (Ch Sarajeni Rockin At Philgin ex Corsaire Dancing Cloud).
Owner – Corse/Lambert. Medium to large white dog with a brindle ear. Bone fits his body and he has good tight feet. I liked the profile, eye placement and ears. Moves well in all directions. Carried his top line. Body a bit longer than tall.

RESERVE WINNERS DOG

Dutch Dreamer at Skyline Bull Position (Super Bowl's Collierboy ex Gemballa Dziedzic Two Tudora). Owner – Woodman. Younger white male dog with a balanced body, good bone and feet. Needs a bit more maturity. Has a beautiful profile. Needs more fill. Did not move as well as the winner's dog. He is nice standing and showy.

WINNERS BITCH/BOW/BOV

OC Harbour Lights O'Malvern (Corsaire Chrome Hoss O'Tearock ex Malvern Valentine). Owner – Allen/Corse. I thought that this was a lovely bitch and an easy winner the rest of the way. She has a compact balanced body with good bone and feet. Lights is medium sized. She has a good down face and fill, eyes well placed and ears on top of the head. Good straight front and moves well in all directions. Carried her top line and tail well. A quality bitch.

RESERVE WINNERS BITCH

Shazam St George TGaste of Honey (Gunsel It's not Unusual ex Ch Shazams Bit O' Honey). Owner – Deitz/Wendler. I liked this bitch almost as much as the winner. Same compact body with good bone. All of the angles are there. She has good triangular eyes and fill. Not quite as much profile as the winner. Good mover. Another quality bitch.

BOS

Ch Banbury Bedrock Bugatti (Ch Caliber Play The Fool RN, NAP, NJP ex Ch Banbury Bedrock Barchetta RN, OA, OAJ, MXP,MJP). Owners – Glazer/Remer/Mackay-Smith. Balanced male with good bone and feet. Topline was level until the croup, then declined more than necessary. Head was well profiled with a good roman finish. Nice eye placement with good fill. Move well in profile. Bugatti would have been the BOV if not for the presence of the bitch.
