

Great Western Terrier Association
Bull Terrier Club of America Specialty
June 26, 2010
Sweeps Judge: Irene Morden

I would like to thank the BTCA for the opportunity to judge the Puppy Sweeps at this most beautiful venue held in conjunction with the prestigious Great Western Terrier Association shows. Thanks go to the Golden State Bull Terrier Club for all they do in putting on this annual show. Finally thanks to the exhibitors for entering the strong quality of pups that I had the pleasure of judging.

I strongly urge others to attend these shows, as you won't be disappointed. Imagine if you will a show ring filled with bull terriers, next to the ocean's edge, with a view of the Queen Mary. Moments like this don't happen often enough!

Nice long head with smooth profile and good fill, ear set and eyes all contributed to his wonderful expression. Shapely well made body, excellent bone, ,with good topline. A pleasure to watch as he moved without effort around the ring. He certainly made me smile!
