Thank you, to the Texas Gulf Coast BTC for inviting me to judge. I really enjoyed the assignment. I would like to compliment the Club on all their hard work, it really showed through. The venue was excellent, and the Texas hospitality couldn't have been better.

Wishing you continued success on your shows...

Klein -**SERENDIPITY GOTTA LOTTA MOXIE**. By Ch Lonestar Whole Lota Hoopla-Ch Serendipity Lazy Dazy. I think this dog is overlooked because of his size. He has so much bull terrier type that when he walks into the ring one's eye goes right to him. He's compact, short back, good topline, bone and substance for his size and moves like a freight train. He has all the little "things" to go along with everything else, beautiful tight cat feet, short tail and correct tail set, ears right on top of his head, lovely profile, yet the head has power and fill. His fault is his bite. Easily carried the day.

Cournoyer & Wright - CH GLENTOM I HAVE NO COMMINT. By Ch Old Forge Simply Bonzer-Ch Glentom Fancy Mint. Very similar to my winners bitch, only mature. Head filled right up, with good length and width. Strength right down through the muzzle. Good length of neck with a lovely front assembly onto a strong topline. Good turn of stifle. Moved well.

BOV

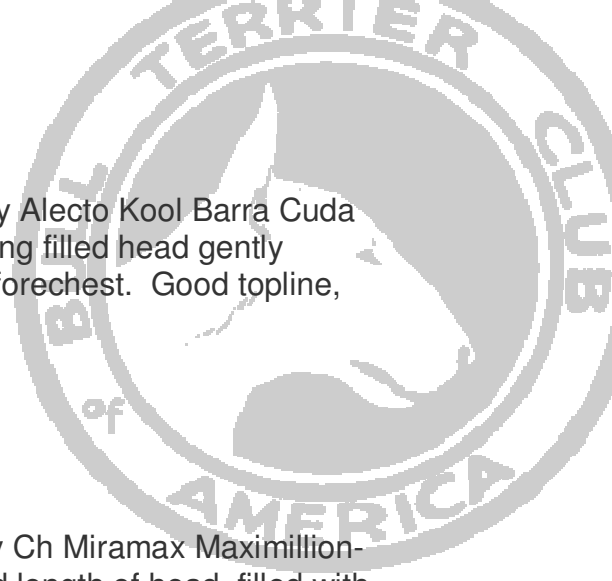

Salas - **CH NOCTURNAL KNIGHT AT ARNOLD'S**. By Tierwgwyn Welsh Dragon – Nosey Parker The Imperial Wizard. A real eye catcher. Substantial red and white. Broad filled head with lovely sweeping profile. Gorgeous expression. Good length of neck onto a strong topline and short back. Well bent stifle. On the critical side, I would like a better front, he is a tad upright in shoulder and down in pasterns. All in all, he oozes Bull Terrier type.
