I was truly AMAZED and HONORED by the entry both in numbers and substance. The weather cleared and it was a beautiful day at a venue that affords a spacious ring with ample room ringside and proximate parking. The entry was impressive, rich with depth and quality and I so enjoyed the opportunity of being in the ring with such wonderful dogs---such credits to their breeders/owners/handlers. I was presented with many top class exhibits and often my decisions were hair splitting. I am very grateful to all the exhibitors for participating in the show. I'd like to thank the Buckeye Bull Terrier Club for the invitation with a special thanks to Mark Draher who had to make some long round trips to the airport and then sit around waiting in inclement weather. Thank you to all for a most memorable day.
