What a lovely weekend of shows! The site is fantastic – so large and spread out that it must be exhausting if you're walking it. The shopping looked great, but I didn't get a chance to go to the vendor area, only flew by it in a golf cart! The show giving club was wonderful – so accommodating and communication was awesome. Thank-you very much to the Buckeye club for inviting me to judge and to all the exhibitors for the absolutely huge entry! A special thank-you to Randy and Rhoda Bennett for chauffeuring me around all weekend.

I want to mention that for the first time ever, I had a couple of animals in my ring whose temperaments were not the best. It was very disappointing (in this day and age of BSL) to see that type of behavior at a major show weekend. Hopefully, the folks who own the offending dogs will get them out and get them socialized so that there isn't a repeat of this sort of behavior. We need to present our breed in the best possible light at all times!

COLORED

Winners Dog and Best of Winners

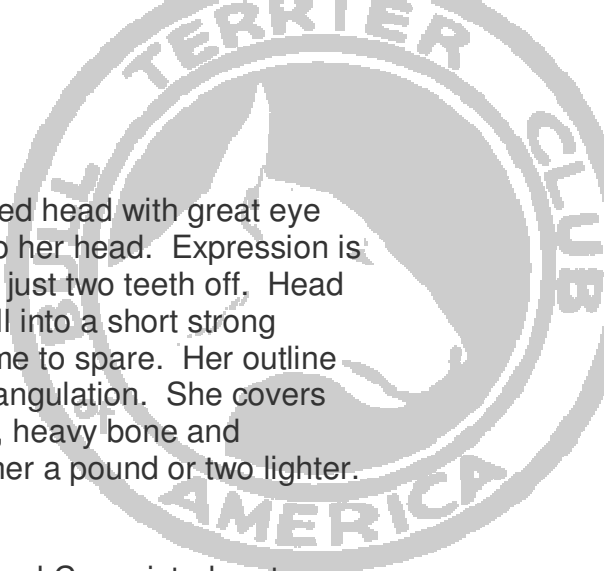

Lim and Berez' **STONEBULL LOVE THAT ACTION** (CH Dajan Top Act With Action ex CH Magor Matchless Matrix) Big masculine red brindle and white boy with a strong deep head, gently turned profile with good Roman finish, and neat ears. Would like a smaller, more oblique eye. Good bite. Short strong neck into wide set shoulders, solid topline and well angulated rear. Nice heavy round bone all the way down to his neat feet. Lots of ribspring and body volume. Straight front although a bit wide on the move, drives well behind. Took Winners on his maturity, bone and substance.

Reserve Winners Dog

Weiss and Gray's **ZIRCON THUNDERALLY BOLD BAXTER** (CH Mighty Bulls Chap Chester ex Ultimate Joy's Special Zircon) Solid brindle boy who caught my eye right away. His head is very wide and filled - I could barely get my hands around his muzzle! Good eye placement and neat ears, yielding good expression. Correct bite. Lovely neck into a nice shoulder, short strong topline and moderately angled rear. Good bone for his size. Although still a bit immature through the body, one can easily see this is a well balanced young dog who will only improve with age. Moves as made, covering the ground smoothly.

Winners Bitch

Hennessy and Bonneville's **WENDIGO BUOY NORTHERN EXPOSURE** (Kiladagh Northern Cross at Dazlin ex Buoy's Wendigo Sarah In Sable) Dark brindle bitch who immediately caught my eye and held it in spite of the huge

entry of colored bitches. She has a lovely turned and filled head with great eye placement. Her eyes are very dark and well sunken into her head. Expression is varminty and evil. Would like a bit better earset. Bite is just two teeth off. Head is well set onto a strongly muscled neck which flows well into a short strong topline. She has good bone for her size and body volume to spare. Her outline is absolutely square. Good straight front and nice rear angulation. She covers the ground effortlessly. Took the points on her maturity, heavy bone and substance and head quality. I would have liked to see her a pound or two lighter.

Reserve Winners Bitch

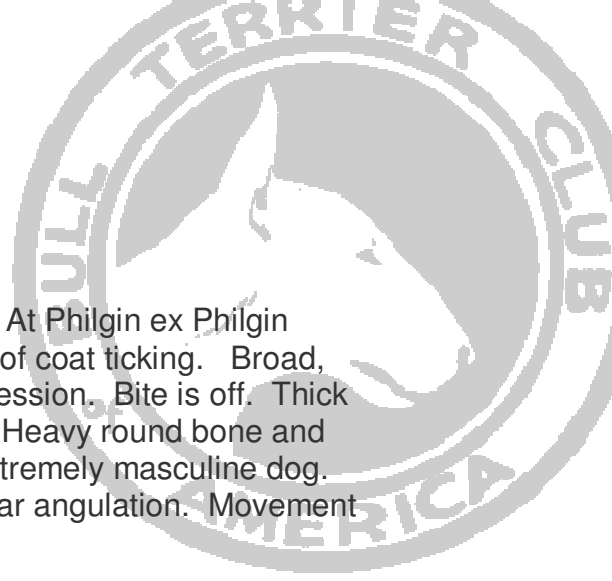

Wright and Cournoyer's **GLENTOM MINT COPY** (CH Cool Conquistador at Crossgarley ex CH Glentom Mint Julep) Beautifully marked brindle and white youngster. Terrier style bitch with a nicely filled and turned head with good depth of underjaw. Eye could be a bit smaller. Mouth just off with one instanding canine. Would like to see more length of muzzle. Very attentive to her handler and uses her ears well. Balanced length of neck into a decent topline. A little light in bone, but nice body volume on a young bitch. Moved fluidly and with good drive behind. Tends to come up at the rear on the move, costing her the top spot.

Best of Variety

Jones' **CH FLASHBAK'S AMAZING GRACE** (Dunapataj Reme Tommy ex Holliday Foxy Chew Chew) Black brindle and white bitch who exudes type and class. She exhibits true terrier style. Beautiful, feminine head with plenty of turn and fill. Eyes are triangular, very dark and beautifully placed on the head. Perfect bite and very good depth of muzzle. Gorgeous length of neck into a good layback of shoulder. Her head carriage is lovely. Beautiful, sweeping body lines and good angulation both front and rear. Short back and good topline. Moves as well as she is made, covering the ground smoothly and with good reach and drive. Won on her superior type, head quality, lovely body lines and correct construction. A truly feminine, striking bitch of good type.

Best of Opposite Sex

McGrath and Smith's **CH MAGOR MATINEE SPECIAL** (CH Acie's Empire Maker ex CH Magor Steel Magnolia Of Misk) Very dark brindle and white dog who presents a masculine and athletic picture. Sweeping profile with good fill under the eye and nice expression. Really nice depth of muzzle. Good eye and ear placement and a perfect bite. A compact, medium size dog with heavy body volume and great ribspring, lovely round bone and a solid topline. A bit longcast for his length of leg. Nice shoulders and good rear angulation complete the picture. His movement is parallel all ways of the ring. Presented in hard, fit condition.

WHITE

Winners Dog

Brodeur's **PHILGIN GOODFELLA** (CH Sarajeni Rockn At Philgin ex Philgin Wendigo Auto Focus) Heavily built white dog with a lot of coat ticking. Broad, filled head with a smooth profile and excellent evil expression. Bite is off. Thick muscular neck into a strong topline and shapely body. Heavy round bone and tremendous body volume complete the picture of an extremely masculine dog. Decent shoulder and short, strong topline, moderate rear angulation. Movement was square and powerful.

Reserve Winners Dog

Woodman's **DUTCH DREAMER AT SKYLINE BULL POSITION** (Super Bowl's Collierboy ex Gemballa Dziedzictwo Tudora) Another substantial white dog, not yet fully mature. He has a stylish head with nice turn and decent fill. Good eye placement. Shoulder is a bit upright. Nice bone and body volume and really good cat feet. Could use more rear angulation. His movement prevented him from taking the top spot.

Winners Bitch and Best of Winners

Blake and Alexander's **BRIGADOON BEL SAMARA AT STARMAN** (CH Gwynsel Its Not Unusual ex CH Brigdoon Luck Bee A Lady) Statuesque white bitch with two red ears. Lovely profile with good fill and expression. Great depth to the muzzle and really strong underjaw with a perfect bite. Strong feminine neck into a shapely topline. To be picky, would like a little shorter back. Tons of body volume and good bone for size, tightly tucked elbows and really good cat feet. Nicely made throughout, she moves smoothly and covers the ground really well. Took the points on her correct bite, construction and shapely outline.

Reserve Winners Bitch

Wright and Bradbury's **GLENTOM BRADBULL'S PAINT BY NUMBERS** (CH Emred Rum Runner ex CH Avalon Glentom Painted Cloud) A feminine white bitch of moderate size. Her head has nice turn and decent fill, well placed eyes and neat ears. Nice length of neck into a level topline. A bit straight in shoulder. Good body volume, but would like a bit more bone. While obviously still a youngster, she has nice bodylines and shows and moves well presenting a picture of femininity and class.

Best of Opposite Sex

Bila and Thomas' **CH MOONSTONE SAW NO SHADOW** (CH Gwynsel Its Not Unusual ex Shadowood Moonstone Brown Eyed Girl) Upstanding white dog with very solid construction and a shapely outline. Lovely arc to his profile with excellent length of foreface and eye placement. Truly varminty expression and uses his ears really well. Good bite. To be picky, would like a bit more fill under the eye. Balanced length of neck into a short firm topline. The shortest back of all the whites today giving him the square outline one rarely sees. Nice bone and

body volume. Proper layback of shoulder and enough angulation behind. Moved cleanly all ways of the ring with smooth easy strides.

Best of Variety

Robards and Franscone's **CH SINABAR EXOTIC AT VALENTINO** (CH Bestuvall Razor RediCut ex CH Sinabar Aphrodisiac) On the petite side, and absolutely packed with type, this is a corky white bitch with a left brindle ear. Her head is gorgeous – turned and filled right up – no dips or hollows anywhere. Her eyes are obliquely set and evil, her ears right up on top of her beautiful head. Bite has two incisors just off level and good canines. Head is well carried on a muscular neck which flows into a shapely topline and moderately angled rear. To be really picky, would like an inch more neck to balance her. Nice round bone. Lots of ribspring and body volume. Movement was pretty good both ways. She was the typiest thing in the ring all day and well deserving of the win. Won over the other specials bitches and WB on her extreme type, head quality, compact body and lovely bone for her size.
