The weather was beautiful, the dogs were in top condition and the hospitality was unmatched. Thank you to the Bull Terrier Club of Puget Sound for a wonderful weekend.

A few general observations: On the whole, it was a quality entry. What stood out the most to me, was the lovely bone and balance. Toplines were better and backs were shorter. On the downside, I saw a lot of close rear movement and some narrow under jaw. Mouths were generally good, however, the nemesis of the in-standing canines still curses us.

COLORED: 5-5 (2-2)

Nice expression when viewed from front. A real showman! Easily carried the day.
