I would like to thank the Bull Terrier Club of Puget Sound for asking me to judge their sweepstakes. I would have loved to stay the entire weekend—to see the sites and visit more, but commitments back home forced a quick trip. I would be remiss if I didn't mention Marcia Speers and Ron Quinn for all their efforts to make this a stress free trip. They were always there to help—thank you so much for everything!

Congratulations to all who entered. The puppies were all very promising.

BEST COLORED IN SWEEPSTAKES AND BEST IN SWEEPSTAKES

Dykema & Murphy's **CRESTMONTS CRIMSON COPY AT BESTUVALL** (Ch. Cool Conquistador at Crossgarley ex Ch. Crestmonts Chances R Bestuvall) Elegant red and white bitch. Lovely long, filled head, with a nice eye and perfect bite. Excellent front and rear angulation so moved with lots of power. Although she was the most immature on the day, she won easily on her clean movement. Time is certainly on her time.

BEST WHITE IN SWEEPSTAKES

Bailey, Bryant, Campbell Hegg & Myall's **ICENI TAKEN BY SURPRISE** (Quicksilver Monster Truck ex Ch. Icen Point Taken) Lovely white bitch. Pretty head with nice length and fill. Correct bite. Front movement was correct but rear movement was a bit close. Pushed hard for the top spot.

BEST VETERAN

Timmons-Vincent's **ICENI IDEALIST RA, NAP, OJP** (Iceni lolo at Decorous ex Ch. Icen lambra) An oldie BUT a goodie!!! Handsome man who is 11 years young. He obviously enjoyed his time in the ring and pranced around as the crowd clapped. It was wonderful to see him.
