Tonawanda Valley Kennel Club
September 4, 2010
Judge: Rosalind Clamper**

A dry, crisp day with temperatures more like early fall than late summer and a Bull Terrier entry packed with quality made this assignment a genuine pleasure.

My appreciation to Melanie Whitehair, Glenn Snyder and all the hard-working members of the Bull Terrier Club of The Niagara Frontier for their generosity and hospitality. The beautiful Bull Terrier print will long remind me of this wonderful day. And special thanks to Gerri Juston who kindly was my "wheels" all weekend and made sure I was everywhere I needed to be, on time!

COLORED

Reserve Winners Dog

Woodman's **SKYLINES THE AFTERMATH OF BLACK** (Ch. Skylines The Aftermath of Dazlin – Skylines Sit N' Spin) A black brindle youngster with a very nice head with good fill and width. His expression is keen with a small eye and correctly set ears. His bite is correct. His body volume and bone are ample and has a well angulated shoulder though his rear could be stronger with more bend to the stifle. He moves well coming in, just less so going away.

Winners Dog

Bavol's **OLD ENGLAND'S MONTGOMERY** (Silver Bullet the Joker at Javarke – Ch. Old England's Lady Elizabeth) An upstanding red and white with a long, filled head with a gently curved profile. He has lovely width viewed head on with a piercing eye and expression. His bite is correct. His construction is just lovely with good bone and substance, a beautiful neck and shoulder and well angulated rear. His forechest is pronounced, his top line strong and firm and he moves typically all ways of the ring.

Reserve Winners Bitch

Hatten and Frascone's **SINABAR LYRICAL PASSION** (Sinabar Valentino Chaotic – Sinabar Bayhill Passion Potion) A robust brindle and white with a filled, packed head with requisite width, a small dark eye and ears right on top of her head. Bite is just off from level. Her body is muscular and strong and her bone is all one could wish for in a bitch this size. She shows some slackness behind the withers which is evident on the go around. Otherwise, she moves decisively down and back.

Winners Bitch, Best of Winners and Best Opposite Sex

Bavol's **OLD ENGLAND'S COCO CHANEL** (Tulsadom Abi Albon – Ch. Old England's Milady in Red) A beautiful brindle and white, with a dazzling head combining a stunning profile with fill down to the tip of her nose. Her bite is correct. Viewed from the front her head is wide, expression is keen with a dark eye and tidy ears. She's beautifully constructed with balanced, flowing body lines, liberal substance and ample bone. She moves decisively all ways of the ring. At just a year old, I was pleased to hear this win finished her well deserved Championship.

Best of Variety

Bavol and Scheibly's **CH. OLD ENGLAND FALCON** (Silver Bullet the Joker at Javarke – Ch. Old England's Lady Elizabeth) A handsome red and white, litter brother of my Winners Dog and clearly similar in type. He has a striking profile with turn, finish and with width and depth throughout. Bite is correct. His expression is riveting with a small, correctly placed eye and ears right on top of his head. His body is shapely while remaining masculine with a correct neck and shoulder and equally balanced angulated hind quarters. Bone and muscular substance are first-rate. He moves with spry self assurance all ways of the ring.

Reserve Winners Dog

Whitehair's **SANDSTONE'S UILLEANN PIPER** (Ch. Terjo's The Vital Spark – Ch. Sandstone's Rock Candy) A handsome youngster with a wide, deep head and lovely profile with turn and finish. His bite is just under. Expression is sharp with a dark, small eye. He's well constructed with enough neck, a firm top line, pronounced forechest, a deep brisket and equally well angulated quarters. A minor quibble is he appears to be somewhat down in his pasterns. He moves cleanly up, down and in profile.

Winners Dog and Best Opposite Sex

Frascone and LaForce's **SINABAR CRIME OF PASSION** (Sinabar Valentino Chaotic – Sinabar Bayhill Passion Potion) An upstanding masculine boy with a strong, wide, filled head perhaps just a bit short in foreface. Excellent expression viewed head on with a small eye and correct ear set. His bite is correct. His body is strong with a deep and wide chest, correct topline, lots of bone and substance and well muscled, properly angulated quarters. Moves well in all directions, especially going away. I was pleased to be told he also finished his Championship today.

Reserve Winners Bitch

Radford's **MAYHEM HOT GOSSIP** (Ch. Kilacabar Cuchulainn – Ch. Mayhem Pipin' Hot) A strongly built bitch with a beautiful head combining a lovely profile with good length and turn, depth, width and a piercing expression. Bite is just under. She's beautifully balanced standing four-square with strong, round bone and lots of substance. Her shoulder is clean and well angulated as is her symmetrical, well muscled rear. She moves out typically down, back and in profile.

Winners Bitch and Best of Winners

Bavol and McConnell's **OLD ENGLAND'S WHITE IMPERIAL EMPRESS** (Tulsadom Abi Albon – Ch. Old England's Milady Lady in Red) Litter sister of my Colored Winners Bitch; this beautiful girl has a lovely sweeping profile with depth, fill and finish. Ears, eye and expression are first class. Her bite is correct. Her body lines are shapely with solidly developed quarters which are well angulated and strong. Bone and substance are balanced and fit her frame. On the go around her topline is firm though she appears a bit long in back. She moves beautifully coming in, just a bit closely going away.

Best of Variety

Snider and Long's **CH. BULLIARDS GOOD HEARTED WOMAN** (Ch. Dajan Top Act with Action – Ch. Shadowood Simply Beewitching) This lovely bitch was my Winners Bitch at Seaway KC the beginning of May and in just a few short months has gained maturity and pizzazz. She has a beautiful sweeping head that is strong, deep and finished. Her bite is correct, her expression keen with correct eye shape, placement and size and tidy ears. Her body outline is curvaceous and balanced with a long neck, a strong topline and a deep chest with uniformly, well angulated quarters. She covers the ground effortlessly with typical sound movement all ways of the ring. One minor criticism would be that I would like to see her a pound or two heavier than she is on this day.

Select Bitch

Whitehair's **CH. SANDSTONE'S TOUCH OF TERJOS** (Ch. Terjo's The Vital Spark – Ch. Sandstone's Rock Candy)
