EVERGREEN KENNEL CLUB  
SEPTEMBER 5th, 2009  
MELANIE WHITEHAIR

Many thanks to the BTCA for inviting me to judge this sweeps and congratulations to The Mile High BTC for a great show weekend with ROM's that held! The sweeps entry was of very good quality which made my assignment quite challenging and I enjoyed every bit of it. The club came together with a well organized and fun event; not only was the lunch and raffle a good time but I have to comment on the fabulous lunch we were served! Shrimp salad, brie and fruit, spinach salad and all was VERY yummy. My gifts of Trudy Avery's artwork were delightful and I managed to win two of Regina May's stone pieces in the silent auction. This is definitely a show to add to your itinerary for 2010. It was a thrill to return to Colorado after a 15 year hiatus; it was good to see the Rockies again.
