

Bull Terrier Club of Metro Detroit Specialty
October 2, 2010
JUDGE: Mrs. Norma Smith

In spite of a damp and somewhat chilly day that offered up threats of showers we managed to get through without any serious rainfall. This is such a great venue and has always been one of my favorites. The entry was commendable in both numbers and quality considering Silverwood was almost at hand. Kudos to the Detroit club for a job well done as always.

COLORED

Reserve Winners Dog

Jones' **Yoeckydoo's Ironman** (Yoeckydoo's Headbanger ex Yoeckydoo's Feurouge) Medium sized typey red brindle/white boy carrying good round bone. Smooth, wide, well filled head with good turn. Neat ears and keen expression. Undershot. Substantial body with good rib spring. Good front angles with nice length of neck flowing well into his topline. Could be a shade shorter in back. Moderate mover – better coming than going. Very handsome youngster who pushed for winners but in the end paid the price for his bite and slightly longer back.

Winners Dog

Cameron & Parker's **Nuance Nightcap** (Ch Emred Rum Runner ex Ch Nuance Nonchalance) This promising tri color youngster stood out for me with his ultra short back - a virtue sorely lacking in the breed at the moment. Good forehand with gun barrel front right down to his tight cat feet. Really good bone for size. Neck sloping smoothly into his strong correct topline. Clean on the down and back and moved out well from the side with *no weakness evident in his short strong topline* – a virtue the breed is struggling with at the moment. Powerful, deep, packed up and nicely turned head. Good expression and ear set. Tail set on a bit high. A bit of jockeying between him and the reserve dog but his positives were powerful ones and certainly rarities these days. Presented in excellent condition. Will watch his progress with interest.

Reserve Winners Bitch

Lewington & Murphy's **Jarroque's Scarlet Fever** (Ch Dajan Top Act With Action ex Jarroque's Jacaranda) Well balanced red/white girl with good bone. Lovely wide well filled head. Good bite. Deep bodied with plenty of spring of rib. Moved quite well both ways albeit a tad wide in front.

Winners Bitch/Best of Winners/Best of Opposite Sex

Bozian's **Bullayr Moonshadow** (Ch Gwynsel Its Not Unusual ex Ch Scarlet Moon The Joker) Big upstanding black brindle girl with a beautiful long well filled and turned head. Good eye with ears bang on top. Good bite. Lovely body shape with deep well sprung ribs. Elegant neck leading into well laid shoulders.

Front assembly spot on with plenty of forechest visible and elbows tucked in. Moved well coming, adequately going. A shade long with a weak spot behind the withers. Overall a lovely girl with much to recommend.

Best of Variety/Best of Opposite Sex to Best of Breed

Schuur & Merrell's **Ch Old Forge Modern Dash Riprock** (Ch Emred Top Gun of Brobar ex Ch Modern's Red Velvet) The last time I saw this dog it was a murderously hot day and he wasn't much enjoying himself. I commented then that I would look forward to seeing him under more ideal conditions. Well today proved to suit him just fine as he was on top of his game. Thoroughly enjoying his outing as he dominated and commanded attention. Big upstanding brindle/white with volumes of body and shape. Beautiful long head that is completely turned. Correct bite. First rate forehand with text book angles and desirable forechest. Clean foreleg and good feet. Strong well let down quarters. Moving he covers ground effortlessly with great reach and drive while spot on coming and going. Presented in gleaming coat. Best of Variety with some to spare. Also awarded the Movement Challenge Trophy for Best Moving Bull Terrier. Congratulations to his breeders/owners.

Collins' **Realclowns Tottenham Stryker** (Dutch Dreamer at Skyline Bull Position ex Brigadoon Bright White Hope) Promising young dog with really good bone and volumes of substance. His head is smooth, well filled and turned. Keen well placed eye. Good bite. Showed flashes of good movement when he settled to the job. He's a fair size puppy that wants some maturing and polish. Look forward to seeing him next year.

Winners Dog

Cracking head with dramatic downface. Dark, keen, tiny well placed eye and tidy ears offering true varmint-like expression. Bite under. Compact shapely body with good bone for size. Good cat like feet. After giving his handler a good workout he eventually demonstrated he could cover ground pretty well and moved adequately both ways. Wonderful type.

Winners Bitch/Best of Winners/Best of Variety/Best of Breed

Jaspers and Berez's **Bigshot Eye Candy** (Super Bowl's Foreigner ex Bigshot Leading Lady) What an absolute delight to have this bitch. Wonderful eye set just right on her foreface and her neat ears on top offering ideal expression. Correct bite. Lovely neck and head carriage. She's compact with deep well sprung ribs and very shapely throughout. Movement is good coming, a little less so from the rear.
