Judge: Alison J. Ibbitson**

Thank-you to the BTCMD for inviting me to judge. It was truly a pleasure to go over such nice animals, especially since I hadn't seen most of them before. The wind was a bit challenging for some of the dogs, as was the terrain in the ring.

COLORED

Reserve Winners Dog

Dishler and Berez' **CATEGORY FIVE STORMY ACTION** (CH Apprentice Man-in-Action ex Action Daydreamer) Lovely silhouette on this almost solid brindle dog with beautiful body lines and a lovely headpiece in both turn and fill. Nice length of neck into decent shoulders, good topline and tailset and with moderate angulation at both ends. He has nice ribspring and body volume, could use a bit more bone. Slightly long cast. Pleasing movement all ways. A very nice dog who was not masculine enough for me in this company.

Winners Dog

Huey's **CRESTMONT'S SAVIOR FAIRE** (CH Cool Conquistador at Crossgarley ex Ch Crsemonts Chances R Bestovall) Big framed stallion of a dog with a tremendous whomped over head with the tiniest black eyes, lovely fat muzzle and great strength of underjaw, although his mouth is quite off. Good length of neck, short back and really up on his toes. Clean in front and over-angulated in the rear, making his drive a bit weaker than I would have liked, but this should improve with age and maturity. A substantial boy who was asking for it all the way.

Reserve Winners Bitch

Evans & Hutter's **MYSTIC MISTRESS OF EPIPHANY** (CH Apprentice Man-In-Action ex Blueprint Glass Onion) Well marked brindle and white, this bitch has a stupendous headpiece – it is turned and very filled, with a wider muzzle than most of the dogs. Eye well placed but could be a bit smaller. Mouth is off. Nice length of neck, good topline standing, adequate angles at both ends. Nice bone and body volume. Movement is clean both ways. She was unfortunate to run into the WB today.

Winners Bitch and Best of Winners

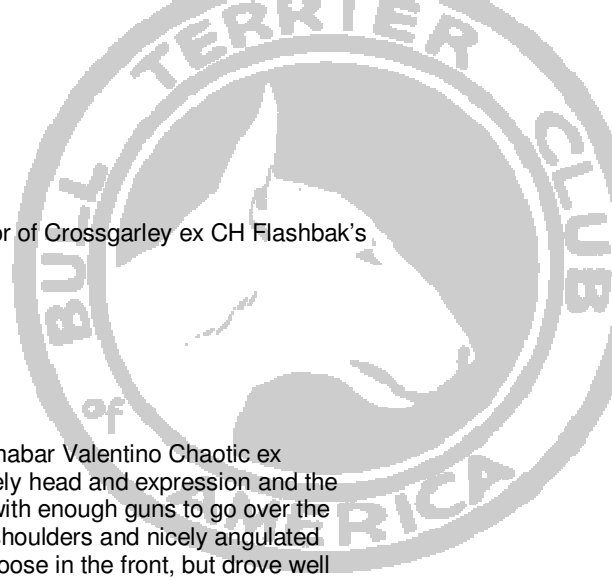

Perrott, Morrison, Deevers and Brouwer's **APPRENTICE BRAGGIN RIGHTS** (CH Bestuvall Sho' Is Hot ex CH Apprentice Jumpin For Joy) Black brindle and white with nice proportions. Head is not marked to her advantage, the white on the show side makes her look a bit dippy in profile, but this is not true upon examination. Good fill and depth to the head with really dark eyes and neat ears. A lovely square bitch with a ton of body volume and rib spring. Nice length of neck, topline like a rock, moderate angles at both ends. Would like a bit more bone for the amount of body volume. Moves cleanly and with a true jaunty air. Pushed hard for BOV.

Best Of Opposite Sex

Weiss and Gray's **CH ZIRCON THUNDERALLY BOLD BAXTER** (CH Mighty Bulls Chap Chester ex Ultimate Joy's Special Zirson) Solid brindle dog who I have critiqued before. His muzzle is wide and deep with beautiful strength of underjaw, bite just off level with good canines. Head has to be handled to be appreciated – it is filled and turned with good eye placement and neat ears. He has lovely round bone, good length of neck and a good topline, although it weakens a bit behind the withers on the move. Moderate angulation at both ends, he moves quite well with big, easy strides.

Best Of Variety

Woods and Fracone's **CH SINABAR LADY LABELLA AT BULLOVED** (CH Bestuall Razor Redi Cut ex Starstruck Peekaboo) Lovely terrier style bitch with a sweeping head, well filled and with good eye placement and neat ears set right on top. Perfect bite. Evil expression which she used to her advantage. Good length of neck, shoulder a bit upright. Nice short back, good topline, the shortest of hocks. Movement was clean in front, a bit close behind. Very compact and typey, she never stopped asking for it. Took a close contest over the Winners Bitch.

Select bitch

Jones' **CH IMPERIALS UNDISPUTED ATTITUDE** (CH Cool Conquistador of Crossgarley ex CH Flashbak's Amazing Grace)

WHITE

Reserve Winners Dog

Woods and Frascone's **SINABAR JAX OR BETTER AT BULLOVED** (Sinabar Valentino Chaotic ex SInabar Ala Vita E Bella) Totally charming white puppy dog, he has a lovely head and expression and the sweetest temperament. Still needs to grow into himself and mature, but with enough guns to go over the competition. Nice length of neck into a short, strong topline, well placed shoulders and nicely angulated behind. Tons of bone for his age, and very good feet. He moved puppy loose in the front, but drove well behind. A promising puppy who should be one to watch for in the future.

Winners Dog

Hantelmann and Jones' **IMPERIALS NO EXCUSES** (CH Cool Conquistador at Crossgarles ex Ch Flashbak's Amazing Grace) Chunky white dog with a masculine headpiece, well filled but could use a bit more turn to be truly egg-shaped. Head is blocky and strong with a wide underjaw and well placed teeth. Nicely muscled neck flows into decent shoulders, a short strong topline and well angulated rear. Lots of ribspring and body volume and good bone for his modest size. A dog who will probably be missed by some, but nonetheless a good honest dog who should be useful to the right bitch.

Reserve Winners Bitch

Radford's **MAYHEM HOT GOSSIP** (CH Kilacabar Cuchulainn ex Ch Mayhem Pipin' Hot) A pretty, feminine bitch with a beautiful sweeping head, nice fill, good eye placement, neat ears. Mouth is slightly off. A bit upright in shoulder, but with a clean front, lovely feminine neck and good topline. Square in outline, very bodied up and mature. Enough bone for size. She moved cleanly all ways of the ring. A very typey package.

Winners Bitch, Best of Winners, Best of Variety

Jaspers and Berez' **BIGSHOT EYE CANDY** (Superbowl's Foreigner ex Bigshot Leading Lady) Statuesque bitch with a fully packed egg-shaped head, evil eyes, neat ears and a level bite. Lovely length of neck flows into clean shoulders and a nice short back with good topline. Adequate bone for size with good rib spring and body volume. Tailset is a bit high. Moves smoothly in front, a bit close behind. A typey feminine package who stood out in the lineup and could not be denied. Her gorgeous headpiece and lovely silhouette carried the day.

Best of Opposite Sex

Bila and Thomas' **CH MOONSTONE SAW NO SHADOW** (CH Gwynsel Its Not Unusual ex Shadowood Moonstone Brown Eyed Girl) Stallion of a dog with beautiful turn of head, good fill, really nice length of foreface, good eye shape and placement, neat ears and a perfect bite. Lovely length of neck. He is very square and well balanced, has a nicely laid shoulder, short back and good topline, enough bone for size. Good tailset and adequate rear angulation. Movement is true and easy all ways – he strides out foursquare and cannot put a foot wrong.
