

**Bull Terrier Club of America
Montgomery County Kennel Club
Sweepstakes
October 10, 2010
Judge: Melanie Whitehair**

I was very pleased that the BTCA asked me to stand in for our busy Jacquie Smith. Judging Sweeps at Montgomery County has always been on my wish list and so it was an exciting assignment. The beautiful fall morning and warm sunshine really topped off my task! Thanks to all for the quality exhibits, warm hospitality and my lovely judges gift.

Best in Sweepstakes and Best in WHITE Sweepstakes

Green and Wright's **GLENTOM EVENING STAR** (Ch Cool Conquistador At Crossgarley - Ch Glentom Silver Lining) This young bitch has an impressively long, filled and feminine head. Nicely placed eye and ears. Strong neck that blended nicely into a correct topline and exaggerated forechest. Could use a touch more bone; she has tight cat feet. Sweeping underline that finished in a neat tuck. Well angled behind with a good tail set. Moved well coming, had good reach and was a bit close behind. Quality exhibit.

Best of Opposite in Sweeps and Best in COLORED Sweepstakes

McLean's and Baval's **OLD ENGLAND'S DARKEST KNIGHT** (Tulsadom Abi Albon - Old England's Milady In Red) Heavy weight brindle boy with loads of bone. Deep set eye with ears that could have been a touch higher on his head. Profile is unbroken but lacks exaggeration. Scissors bite with one in-standing canine. Correct lay of shoulder with a topline that is level off of the withers. Well angled behind with a good tail set. This all added up to a dog who moved well coming and going with plenty of reach and drive. In the morning sun his hard condition and structure shone through and I found the total package to be very compelling.

Best of Opposite in WHITE Sweepstakes:

Accardi and Clayton's **SORABULLY'S I AM GANG JO** (Ch Sarajeni Rockn At Philgin - Ch Rocky Top's Starlit Sky) Typy young boy who was having quite a good time. Nicely turned, filled head, deep set dark eyes with a pleasing finish. Well made in his front construction from his neck, shoulder, topline and forechest. This youngster had great bone that finished with tight cat feet. Tail set could have been a bit lower. Nicely angled behind. Movement was somewhat loose as expected for his age. It is obvious that he has a bright future ahead. The maturity of the winner was the deciding factor.

Best of Opposite in COLORED Sweepstakes

Perrott, Morrison, Brouwer and Deevers's **APPRENTICE BRAGGIN RIGHTS** (Ch Bestuwall Sho' Is Hot - Ch Apprentice Jumpin For Joy) Feminine, black brindle bitch, very pretty in profile. Her head is turned and filled with good expression and finish. Good shoulder and correct topline which she carried on the move. A bit more energy and keenness would have carried her thru.
