I'd like to thank the club for having me. It was a very relaxing weekend which was much appreciated after the demands of the Silverwood weekend just two weeks prior. I was pleased with the quality of the entry and appreciated the effort of club members in getting all those puppies out. It was great fun and wonderful to see a whole new crop of show prospects.

Reserve Winners Dog

Symons & Bozian's **Bullayr Heartbreaker** (Emred Huntsman ex Ch Scarlet Moon The Joker) Good typey medium size brindle and white boy. Nicely filled head with good length and turn. Enough bone for size. Barely 6 months of age with much more body to come.

Winners Dog/Best of Opposite Sex & Best Puppy

Collins' **Realclowns Tottenham Stryker** (Dutch Dreamer At Skyline Bull Position ex Brigadoon Bright White Hope) Critiqued this youngster two weeks ago the Metro Detroit Bull Terrier Club show where he was Reserve Winners. This indoor venue seemed to allow this youngster to settle to the task at hand as he moved around the ring proficiently and cleanly on the down and back. He's also getting the hang of showing in general and did a credible job allowing his assets to shine. A big strapping white puppy with good bone throughout. Masculine head that exhibits strength in both fill and depth with good downface. Correct bite. Needs time to mature and tighten.

Reserve Winners Bitch

Radford's **Mulligan Mayhem Disco Inferno** (Warradcasey Night Fever of Kilacabar ex Bullyrook's Dream Weaver) Beautiful headed all white puppy with great length, fill and finish. Keen dark well set eye. Mouth slightly off. Very shapely nicely balanced bitch with lovely lines throughout. Good bone for size and she moved freely all ways. She has serious contender written all over her. A lovely puppy which I'll be watching with great interest as she matures.

Another youngster that caught my eye was **Bullayr Piece of My Heart At Buldor**. Red/white with a very pretty head that is filled and beautifully turned. Compact and square with good bone. Look forward to seeing her mature.

Winners Bitch/Best of Winners & Best of Breed

Uplinger & Radford's **Mayhem Hot To Trot** (Ch Kilacabar Chuchulainn ex Ch Mayhem Pipin ' Hot) This bitch came to "play". She stepped into the ring and claimed the spotlight. She's in top notch condition – well muscled with a wonderful sleek coat that fits her like a glove. Very well balanced with lovely body shape. Good topline which she holds on the move. Her head is long, well

turned with a dramatic roman finish. Her expression is first-rate with her deep dark tiny well set eye and ears right on top. Enough bone for size. She moves out well from the side and cleanly in front. A little close going away. To be very critical I'd like a tad more fill and a better lay of shoulder but overall she's has a classical look about her. Impeccably presented in fabulous condition and couldn't be denied. Congratulations to her owners and breeders.

AOM

Radford's **Ch Mayhem Hot Gossip** (Ch Kilacabar Chuchulainn ex Ch Mayhem Pipin' Hot) This was in a lot of ways a tough callas she pushed hard for breed. Litter sister to the Best of Breed bitch and different in many ways. A lot to like about this bitch. Same keen wonderful expression. A bit thuggier than her sister with a tad more bone. She has great body volume and shape. Her head is filled and well turned. Mouth a little off. Not in the best of coat condition. These two could trade places on any given day but today belonged to **Hot to Trot**. Lovely pair of bitches.
