## **COLORED**

### **Winners Dog and Best of Winners**

Bebb, Campbell-Hegg and Myall's **ICENI SHOT TAKEN** (Quicksilver Monster Truck ex Icen Point Taken) Powerful brindle and white dog with a pleasing profile, good depth of muzzle, correct bite, proper layback of shoulder, good bone, straight front, good spring of rib, and good hindquarters. Moved well both ways. Easy win for him.

### **Winners Bitch**

Alexander's **BRIGADOON TINKER BELL** (Ch. Desert Kahuko Vom Jubel ex Ch. Brigadoon Baronesse Essex) Well made brindle and white with lots of spirit and enthusiasm. Earset a bit wide. Dark mischievous eyes in a beautiful long, filled head. Bite slightly under, canines correct. Good depth and width of muzzle. Strong front quarters, good bone and substance. Moved well front and rear; tight cat feet - a handsome package.

### **Best of Opposite Sex**

Harris' **CH. ALLEGRO RED BULL** (Ch. Sarajeni White Gandalf ex Allegro Abra Cadabra) Powerful red and white with super bone, good head all around, strong with a pleasing profile. Reverse scissors bite. Smooth topline, good spring of rib. Moved with authority.

### **Best of Variety**

Alexander and Mason's **CH. BRIGADOON GO GO BOOTS** (Ch. Brenbull's Root for Me ex Ch. Brigadoon Etoile Blanc) dark brindle and white bitch, loads of breed type. Beautiful head, good fill, ears set right on, her eye size and placement gave that "piercing glint" which added to her expression, level bite. She moved with authority, was well groomed and was handled to perfection. She was also in some very good company in the terrier group that included several best in show competitors. An ongoing star, it was my pleasure to award her First Place in the Terrier Group.

## **WHITE**

### **Winners Dog and Best of Opposite Sex**

Pew's **BULROARUS TUFF AT THE TOP** (Bulroarus Indiana Jones ex Buxton Last Noel)

Upstanding, smoothly contoured dog with good proportions and flowing lines in profile starting from an unbroken curved head through a neck with good reach into a correct topline. Nice expression, scissor bite with big teeth. Short backed dog with proportionate bone for his size, he moved cleanly and well both ways. He could have more power and width to his muzzle but his qualities still showed through.

### **Winners Bitch and Best of Winners**

Alexander & Bailey's **BRIGADOON MISS BUXLEY** (Brigadoon The Butler Did It ex Ch. Brigadoon Baronesses Essex) A feminine youngster with good bone and substance, good reach of neck and well laid shoulders. Classical head with good depth of muzzle, small dark eyes, good fill, topped with a smoothly curved profile. Ear set is slightly wide. Bite correct. Balanced angulation front and rear. Moved well both ways.

### **Best of Variety**

Garcia, Aron & Foote's **CH. DESLYNNS MOONDANCE AT DONNYBROOK** (Aricon Easy On The Eye ex Deslynn's Dark Lilly at Donnybrook) She was definitely another "easy on the eye". An overall nicely balanced bitch with pleasing head piece and correct bite. Well laid back shoulders, good forechest, correct topline and tailset. A good mover and handled well.

There were two entries that need honorable mention. The first was Utt & Gothan's **CH. BULLARDS N ARDRYS HOT ICE** - a difficult choice between her and my BOV winner. Also, my winner from the 6-9 mos. puppy bitch class - Ruehle & Alexander's **BRIGADOON BANCHORY SENTINEL** who went on to win Terrier Group 3 in the Puppy Group competition under Joe Waterman.
