JUDGE: Gayle M Denman

Thank you to the GSBTC for the opportunity to judge at this wonderful venue during the weekend celebration of the 125th anniversary of the AKC. In addition, I thank the exhibitors for entrusting me to judge their bull terriers. Dick and I enjoyed this weekend immensely. We were able to catch up with old friends and make some new ones along the way. If you are considering which shows to exhibit at next year, I strongly encourage you to attend this event as there are plenty of fun events and galas to attend.

BULL TERRIERS, WHITE

BOS/WD

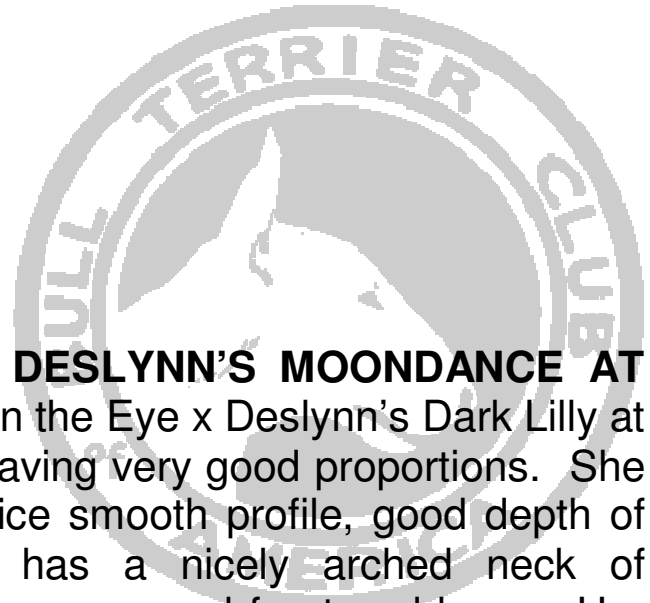

Walthall and Eoodruff's **EDEWIN'S DR. MY EYES** (CH Magor Malcom of Misk x CH Edelwin Pandoras Magic Angel) is a mature masculine male having two brindle eye and ear markings. He has a well-filled muzzle, good depth of muzzle, smooth profile, scissors bite. He has correctly placed ears. He has good substance, good bone and correct tight feet. He has a correct tail set and carriage. He moved well in all directions. This dog has a very good temperament and was shown in excellent condition.

BOW/WB

Utt and Gothan's **BULLARDS N ARDRYS HOT ICE** (CH Ardry Desert Heat x CH Jael's Hammer of Bullards) is an elegant bitch of very good quality. She has excellent length and depth of muzzle as well as a wonderful smooth profile. Scissors bite. She has very good expression and a correct ear set. She has very good bone and substance. She covered ground well, moving correctly in all directions. WB was awarded based upon superior fill and expression. Last spring I wrote about how fun it would be to keep an eye on this girl's show career as she matures. Today, I can write that I learned, during the photos, that this award finished this bitch's AKC championship.

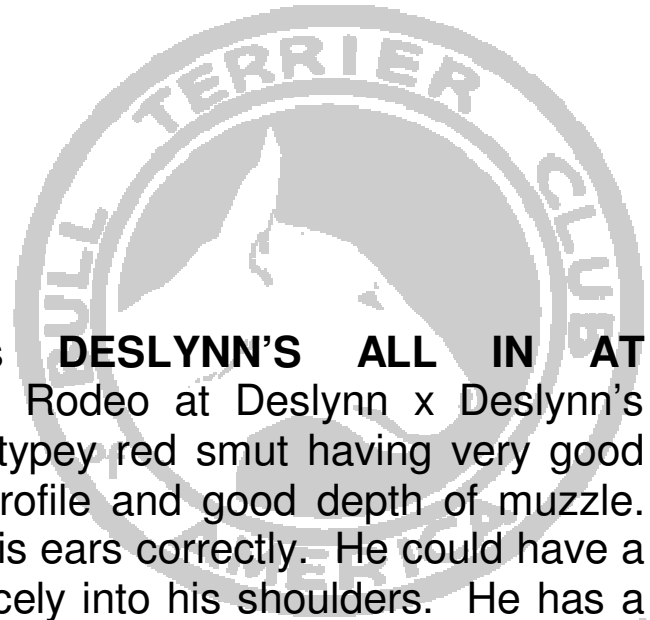

RWB

Fox and Poole's **ROCKY TOP'S GLAMOUR GIRL** (Cuda of Kilacabar – CH Rocky Top's Honey 'n Rainbows) is quite similar to the WB in make and shape. In fact from the side view, she is a bit more correct than the WB. This is a lovely bitch. Whilst this bitch has good fill and good expression, the WB was awarded based upon these two breed attributes. Both bitches were shown in wonderful condition.

BOV

Farrington, Aron, and Foote's **DESLYNN'S MOONDANCE AT DONNYBROOK** (Aricon Easy on the Eye x Deslynn's Dark Lilly at Donnybrook) is a typey bitch having very good proportions. She has very good expression, a nice smooth profile, good depth of muzzle, scissors bite. She has a nicely arched neck of good/correct length. She has a very good front and bone. Her feet are very good, tight and cat like. She has the correct topline with a slight rise of the loin. She finishes off with a correct tail set. She moved well in all directions, especially in the rear. She was shown in excellent condition. She has the desirable correct bull terrier temperament. This exuberant bitch is of excellent quality.

BULL TERRIERS, COLORED

BOW/WD

Steward, Aron and Foot's **DESLYNN'S ALL IN AT DONNYBROOK** (Gullistic Red Rodeo at Deslynn x Deslynn's Dark Lily at Donnybrook) is a typey red smut having very good expression. He has a good profile and good depth of muzzle. Slight mouth fault. He carries his ears correctly. He could have a longer neck but it does arch nicely into his shoulders. He has a very good topline and correct tail set. His bone is good. His feet are correct, nice and catlike. He moved well in all directions.

WB

Alexander and Thomson's **BRIGADOON TINKERBELL** (CH Desert Kahuko Vom Jubel x CH Brigadoon Baronesse Essex) is a brindle and white bitch has a very smooth and nicely turned profile. She has a scissors bite. She had good depth and length of muzzle. She has a correct topline. She is correctly angulated front and rear and moved well in all directions. She was well presented and in very good condition.

BOV

Harlamoff and Waynee's **CH SOQUEL MILLENIUM BLACK FERN** (CH Brummagem Spectacular Bid – CH Brigadoon's All Black Soquel) A typey black brindle and white bitch having a nice smooth profile, good fill. She has good length and depth of muzzle. She has correct, small, erect ears. She has good expression. She is a nice square package, having the correct slight rise over the loin, her top line is superior to most bull terriers today. This is indeed a quality bull terrier bitch having very good "make and shape". She has matured quite nicely.

BOS

Harris' **CH ALLEGRO RED BULL** (CH Sarajeni White Gandalf x Allegro Abra Cadabra) is a substantial, masculine red brindle and white dog. What is particularly appealing is that he has excellent substance and is correctly proportioned. He has very good fill, a smooth profile, and excellent depth of muzzle. He has a slight mouth fault. He has a very good topline and finishes off with a correct tail set.
