

BTCA FUTURITY

OCTOBER 16, 2009

Judge: Linda Maddox

I would like to thank the BTCA Judge's selection committee for asking me to judge the Futurity. I must also thank my wonderful ring steward, Christine Schuur, who kept me organized. Lastly, congratulations to all the exhibitors and their dogs. There were many promising youngsters.

Grand Futurity Winner and Best Futurity Puppy 9 months and under 12 months Puppy Dog

Ruppel's **QUICKSILVER ROADSHOW** Stunning white male puppy who has it all from head to toe. Long sweeping head with tons of fill. Wicked eye. Correct bite. Short back with good angulation. Moved well both ways. Was carrying a bit too much weight on the day, but sure he'll grow into all that "baby fat". Showed himself to the very end.

Best Futurity Junior

Woodman's **SKYLINE DEFIES DAZLIN** Handsome red and white male. He's a very sound boy with everything in the right place. Pleasing head with good turn and fill. He has a nice expression and a good bite. He moves true both in front and rear.

Best 6 months and under 9 months Puppy

Frascone & Hatten's **SINABAR LYRICAL PASSION** Pretty dark brindle bitch puppy. Long sweeping head with nice fill. Eye a bit kind. Perfect bite. She is slightly long in back. Good movement in front, close in rear. Time and maturity is on her side.

Best 15 months and under 18 months Junior

Davis' **ENVOY EXTRA VIRGIN** Beautiful red and white bitch. Lovely head with nice turn and fill. Her bite is marginally off. Movement is true, both coming and going. She pushed hard for the best futurity spot. She is definitely one to be proud of!
