

BTCA SWEEPSTAKES

October 18, 2009

Judge: Libby Tucker-Martin

My sincere thanks to the BTCA and the Judges Selection Committee for inviting me to judge this celebrated event. A special thank you to the exhibitors who brought out absolutely outstanding youngsters and veterans to be seen and admired by all. To have the dogs shown in the veteran classes that were represented this year was amazing and an honor to have them there, they were a tribute to our breed, and their owners who have kept them in show ring condition, with great love and care. I would like to see all veterans receive the same recognition in terms of placement as they deserve a blue ribbon, each and every one of them!
