Judge Victoria Corse

COLORED

Winners Dog

Hoplins & Hensley's **BROKEN ARROW'S TREJO MACHISMO SANDSTONE** (Bullymoon Stands For Liberty With Sandstone ex Broken Arrow's Sautepahoodle) Black brindle & white dog, with a big white face, perfect bite, square and compact with excellent bone. I'd like a smoother brow. He has an excellent rear with well letdown hocks, and moved with purpose.

Reserve Winner Dog

Ferando's **HAWTHORNE JESSE JAMES** (Emred Devil's Spy ex Ch Hawthorne Double Bock) Another black brindle & white boy, he has a very nice head, also with a perfect bite. He didn't benefit from some extra weight, which affected his outline and movement, but he has virtues of type and construction that are just waiting to be developed.

Winners Bitch/Best of Winners

Smiths & Aten's **STONEHOUSE CAN'T BE TAMED** (Ch Javarke Argent At Energon ex Ch Stonehouse Easy Being Royal) I've always liked this bitch from ringside, and she didn't disappoint. She is well made and balanced, with bone appropriate for her size. Her head has good length and she carries her width down to a wide muzzle and deep jaw, bite is level with correct canines. She could have a more wicked eye. She has a really lovely silhouette, a true series of sweeping curves. She moves cleanly all ways.

Reserve Winner Bitch

Brewers & Gralau's **GLENTOM DARK RAINE FROM THE MOON** (Ch Clansmann Super Flye Guye ex Ch Glentom Dark Side of the Moon) Another lovely-headed bitch, she has a long strong, head, and good fill down to the muzzle. Brindle and white, she has a well-developed, deep body. I'd like to see a bit more angulation front and rear, and tidier feet, but she's a lovely, feminine type.

Best of Variety

Blackwells & Pooles' **CH ROCKYTOPS CHASING DREAMS** (Ch Hawthorne Dragon's Heart ex Rockytop's Sweetest Dreams) Solid, filled and gently turned head on this compact brindle girl, long, strong and well filled to the end of the muzzle, with a correct bite. Her dark eyes are well placed, her ears are small and set high on her head. She has good, round bone down to tidy feet, carrying a deep, well-developed body that is balanced front and rear, and moves with power and economy. She is a complete package of make, shape and virtue.

Best of Opposite Sex

Thomas' **CH GRABO SYMPATHY FOR THE DEVIL MOON** (Rabram Rock Star ex Grabo Bahama Moon) Scopey and typey, this brindle and white is masculine, while still elegant. His head is well filled and turned, ears and eyes correctly placed and shape in a fat face. His bite is just off. Bone is appropriate for size, and he's well angulated and balanced.

Select Dog

Kibler & Pooles **CH ROCKYTOP'S DREAM CHASER** (Ch Hawthorne's Dragon Heart ex Ch Rocky Tops Sweetest Dreams) Square and masculine brindle and white boy, he has excellent bone and substance, a powerful nicely turned head and a good bite. He has well-placed eyes and tidy ears. He carries himself with power and drive all around the ring, pushing off strong rear quarters. A very different style to the BOS, today I preferred the scope of the OS.

Select Bitch

Bebb's **Ch SUNNY SKIES SHE'S THE ONE** (Ch Lonestar's Whole Lotta Hoopla ex Ch St George Sugar Sugar) A refined type, this brindle girl has a long strong head and lovely turn. Her bite is just off. Well angulated front and

rear, she's a clean mover, and very pretty in silhouette. She has a deep brisket and muscular rear. She gave way in head on expression to the BOV

Reserve Winner Dog
No Class Dogs

Winners Bitch

Kibler & Pooles **ROCKYTOPS STAR DREAMER** (Ch Hawthorn Dragon's Heart ex Ch Rocky Top's Sweetest Dreams) Deep, well developed body, with good round bone and well-angulated front and rear. Bite is off with correct canines, in a powerful head, with good turn. I'd prefer a bit more length from eyes to nose, but she's a powerhouse, and virtuous.

Reserve Winner Bitch

O'Dohertys & Berez's's **ACTION KISS'D BY THE SULLINATOR FROM OLD FORGE** (Ch Formula For A Drama Free Brother ex Ch Action Kissed By The Divine From Old Forge) Lovely baby bitch, showing her socks off. Super expression, with the varmenty-est of eyes, and ideal length of foreface. She has good bone and substance for her age, still moves a bit all over the place, but I'm looking forward to watching her develop.

Best of Variety

Schmidt's **CH GRABO RORSCHACH REVELATION AT CERBERUS** (Rabram Rockstar ex Grabo Bahama Moon) Solid, square dog, carrying brindle. He has beautiful bone and substance, and a very powerful, well turned profile on a head with excellent width, fill and depth at the muzzle. Bite is not correct. He has balance front to rear, and moves accordingly and with the appropriate "jaunty" air. His bone carries into his rear, with well bent stifles and defined muscular quarters. He is impossible to ignore, he's masculine without coarseness, and typey without being overdone. His mismark may be a fault, but it's outweighed by his outstanding virtue.

Best of Opposite Sex

Cremeans, Leonard & Evans' **CH GALACTIC BITTERSWEET LEGACY AT IRUKANDJI** (Mighty Crew Irukandji ex Galactic Double Star) Big bitch carrying brindle, lovely filled and turned head, with bite off. She has well placed eyes and good ear carriage. Heavy bone carries all the way down to feet, a bit off true in front. She could use better shoulder layback, which would improve her topline. She's typey and well balanced, and moves with power. Very competitive in any company, and unlucky to run into the dog.

Select Dog

Smiths & Mortimer's **CH SOME OKIES HOT CLASSY LEGEND OF DEVILS SPY** (Ch Kingsfarm Hot Classy Devil ex Some Okie's Wicked Witch) Strong, well developed body and really nice length of head, with smooth profile, bite just off, canines correct. He's masculine and virtuous, with good bone and tidy feet. He moves cleanly, could power a bit more off the rear quarters

Select Bitch

McPeters & Bebb's **CH SUNNY SKY ST GEORGE KEEP DRIVING** (Ch Lonestar Whole Lotta Hoopla ex St George Sugar Sugar) Another big powerful bitch with a pretty head, deep body, and bone adequate for her size. She's nicely balanced front to rear, and moves cleanly. She gives way in fill under the eyes to the BOS bitch, but is loaded with breed virtue, and nicely constructed.
