#### **Winners Dog, BOW, BOS**

#7 Sara Pearce & Grace Thomas & Robert Thomas's **GRABO MOVES LIKE JAGGER AT WILDBLUE** (By CH Rabram Rock Star-CH Grabo Bahama Moon)

Tiger brindle, strongly built with lovely contours and outline. Well-balanced with good angles front and back, and a correct topline but tail set a little high. Good width and depth of body, adequate bone, and tight feet but a little slack in pastern. Quality, masculine head with good length and depth, well filled and smoothly curved but with an under bite. Eyes set correctly contributing to a lovely expression though ears are a little large but set well on top of the head.

#### **Reserve Winners Dog**

#11 Melany Aten's **STONEHOUSE'S HITCHHIKER**. (By CH Satyricon's Gold Digger-CH Notorious Miesha Tate)

Though a little longer in proportion than the WD, he presents a strong, cobby picture in profile. He is a little unbalanced being a tad over angulated in the rear versus some shortness in upper arm. Feet are a little splayed. Strong in neck and body with good muscling in the rear and a correctly set on tail complementing a pleasing topline. Front movement compromised by the upper arm. Head is strong and well filled but shows a slight flatness in profile. Expression spoiled by ears that are too low set. Mouth fault (instanding canine).

#### **Winners Bitch**

#12 Rene Hernandez III, Brenda Hernandez, Annalee Cox's **SOME OKIES SWEET DELIAH JADE DINOSAUR**. (By The One And Only Shadow At Some Okies-Some Okies Wicked Witch)

Terrier type dark brindle, well proportioned, combining elegance and strength in a feminine package. Strongly muscled in the rear with good angulation. Adequate bone for her size with neat feet. Lovely arch of neck balancing a head of good length. While she could have more underjaw, the curvature in the profile is good and she has pleasing expression highlighted by keen eyes. Perfect bite (best of the day). To be critical, her expression would be even better with higher set ears held more vertically.

#### **Reserve Winners Bitch**

#14 Renee Bronson & Jacqueline Decker & Walter Bavol Jr's **OLD ENGLAND'S EVER SO CLEVER** (By GCH Hawthorn Dragon Heart-GCH Old England's Notso Basic Biotch)

Tiger brindle whose main virtues are in her proportions and body structure, having good girth, lovely topline and good tailset. Minor faults in this aspect are some loading in shoulder, and lack of rear angulation. Neck is strong and of good length but could have a little more arch. Her head in profile has a slight flatness in the middle. Her expression is a little soft due to a slightly 'open' eye and ears that could be more erect. Muzzle has depth but could have more underjaw.

#10 Gail Harlamoff, Ashlee Boyda, Ray Draper, Naomi Wayne's **GCH BAYSHORE SWEARS LIKE A SAILOR IN SOQUE** (By CH Unfailing Ocean View-Quicksilver Song Of The Sea At Soquel)

Dark brindle and white with the best combination of construction and head quality on the day. Compact, and well-proportioned with good bone for her size. Lovely outline with a strong, well-turned rear, tight feet, strong neck and good body volume. A tad more length of upper arm would be a slight improvement but otherwise her construction is excellent overall. Headpiece shows good length and width, combining a correct bite with pleasing expression. To be critical, she could have higher ear placement, and her muzzle could have more depth. She is a really nice cobby style of bitch, with quality throughout.

#### **Select Dog**

#5 Joshua Bergin, Christina Rozema's **CH ROZEHAVEN'S BALL LIGHTNING** (By Busta Rhymes Let's Go Party Bulterier-Luxury Avenue's Freyja Of Rozehaven)

Dark brindle and white whose virtues are concentrated in a quality, masculine head. It is of nice length, has good depth of muzzle, and is well filled under the eye. Lovely expression topped off by well set, erect ears. Lovely, even blaze and good eye. He is a little undersized in terms of body volume, and his topline has a bit too much curve over the loin. A little long in overall proportion, with some shortness of upper arm, with his rear angulation not balancing his front and bringing his topline up on the move.

#### **Select Bitch**

#20 Franne Berez, Dale Schuur's **GCH ACTION SIMPLY DIVINE BY OLD FORGE** (By CH Formula For A Drama Free Brother CGC-GCH CH Action Kissed By Divine From Old Forge)

Somewhat cobby dark brindle and white bitch with good body volume. Strongly built with very nice width in front, well-muscled quarters and a good topline but with a little too much curve at the croup. Neck could have a little bit more length and arch. Strong pasterns and neat feet. Head is smoothly turned in profile, with good length but could have a little more under eye fill and depth of muzzle.

#### **Winners Dog**

#11 Tami Shaw, Jan Dykema, Bill Shaw's **BESTUVAL PACKIN HEAT AT SECOND2NONE**. (By Quicksilver Wanted Man-Bestuvall Hot Little Pistol)

Earned this placement due to having a more compact body with good volume, and better construction and balance. Good shoulder set and clean in front construction, with good muscling in the rear and enough angulation. Moderately sized overall showing proportionate bone and strength. Nicely shaped eyes and a better ear set (more on top than the RWD) were other positive attributes although there is some flatness in the middle of the profile.

#15 Bill Shaw, Tami Shaw's **SECOND2NONE THE KING OF COOL** (By CH Apex Presents the Italian Stallion in Action-GCHB SecondtoNone)

Of a similar size and appearance to the WD although a little taller on leg but shorter in proportion (good). Shoulder is a bit loaded and there could be more forechest but has good volume of body and bone for his size. A trifle slack in pastern though. Head has exemplary depth of muzzle and underjaw but is a bit flat in profile. Eye is dark and well set, part of his virtues, but he lacks a little 'excitement' overall.

### **Winners Bitch, Best of Winners**

#10 John McCall's **BESTUVALL BOMBSHELL AT NOBLE** (By Action Kiss My Grits From Old Forge-Bestuvall Obsession)

A 6-9 month puppy exhibiting numerous virtues in profile. Good proportions, lovely length and arch of neck, nice length of head approaching the limit of curvature. Impressive in outline with lovely strong quarters, good bone for her size, and neat feet. On the negative side she is a little loaded in shoulder and could have more forechest. Eye catching downface on a head of good length complemented by dark, well set, eyes. On the minus side she is a little lacking in nose pigment, and her ears could be a little bit smaller to fit her head but are held nicely erect. A somewhat significant fault is her instanding canines.

#7 Grace Thomas, Robert Thomas's **GRABO SUBTLE AS THUNDER** (By Rabram Rock Star-Grabo Bahama Moon)

Young dog of a very nice size carrying brindle. Compact and cobby dog, well-proportioned and balanced with lovely angles at both ends. Adequate bone for his size. Neck is strong and of good length but could have more arch. Perhaps a little too much rounding over the croup. Head is strong and masculine with length, depth and fill. Eyes and ears are well set providing pleasing expression front on. Very typey dog overall.

### **Best of Opposite Sex**

#12 Suzann Hoesman, Linda Lethin, Jack DeGideo, Annette Kart's **CH JOCKO'S TIGER LILY'S AT LIL'ITCH**. (By Jocko's Kid Bullets @ Jackanettes'-Jocko's Bodacious Betty Boop)

Something of a throwback in body style. Eye catching head profile and reach of neck (factors that helped edge her over the SB). Strong in body, with good angles although a little long on loin with a little too much curvature over the croup. Could have more bone for her size. Head is smoothly contoured, has good length and depth with good underjaw, but could have more width of muzzle. Eyes are keen, dark, and well placed, providing a lovely expression.

### **Select Dog**

#17 : Kristen Christiansen, Dr. Franne Berez, Beau Benner's **CH ACTION ROCKET MAN BY OLD FORGE** (By Formula For A Drama Free Brother-GCH CH Action Kissed By The Divine From Old Forge)

Well-balanced and well-proportioned dog with good body volume but could have more angles at both ends, and a little more bone. Moderate size overall showing a clean front seen straight on, and a pleasing neck with good reach. Strong pasterns and short hocks are added virtues. Head has good length and depth from the side but shows a little flatness in the middle. Ears are set a bit low, detracting from his expression although his eyes are dark and well set.

### **Select Bitch**

#14 Kristen Christiansen, Dr. Franne Berez, Beau Benner's **CH ACTION DIVINE GRACE BY OLD FORGE BCAT** (By Formula For A Drama Free Brother CGC-Gch Ch Action Kissed By The Divine From Old Forge)

Competed strongly with the BOS on construction. She is very nicely contoured but lacks a little bit of angulation and strength in the rear (one of the deciding factors). Well-constructed in front with good bone for her size. Stylish, terrier type bitch with good strength of neck, good length of head and beautiful smooth profile. Eyes, while dark, are a bit open, added to ears that are set low and not erectly carried, detract from her expression.
