I would like to thank the Bull terrier club of Tampa Bay for inviting me to judge the Bullterriers. The dogs all had great temperaments and there were some lovely examples of the breed.

## **COLOURED BULL TERRIERS**

### **WINNERS DOG & BEST OF WINNERS**

**ABGAR THE AFTERMATH** – Well marked brindle and white who is 4 years old. His head is filled and turned, and he has a good depth of muzzle and underjaw, his mouth is perfect, and ears well placed. Nice length of neck, straight front and good depth of chest. Good bone and substance. Today for me he was carrying a little too much weight, which affected his topline on the move, however he did move well both ways and was well handled.

### **RESERVE WINNERS DOG**

**UNFORGETTABLE LOVE OF A DRAGONS HEART** – 2-year-old rich red and white who is beautifully marked. His head has good turn but needs a little more fill under the eyes, mouth is perfect. Moved well both ways and well handled.
