COLORED

Winners Dog

Godambe and Courneyor **GLENTOM DISORGANIZED CRIME** (Padhen Hitman ex Glentom Crème De L'Orange) Red and white upstanding male who still has more to come. Nice profile with good length to muzzle. Good fill, good eye with well set ears. Shoulder with correct angles and matching rear quality. Good bone. Moderate topline length which held on the go round. Movement when the handler got under control was good coming and going.

Reserve Winners Dog

Troy, Troy and Cooke **BULLYHILL'S REVITUP DEVILS EYE OPENER** (Tawnbarr Devils Eye From Gorbain ex Bullyhill CW Simply Irresistable When Flirtin) Brindle and white dog with eye. Muzzle length good but prefer more width and strength. Construction wise, this is a well-made dog, with good construction both front and rear with the movement to match. Good bone and substance. Would like to be a tad shorter in length.

Winners Bitch, Best of Winners and Best of Opposite Sex

McConnell **ENERGON EARTHQUAKES PRINCESS ARIANA AT CAMBRIDGE** (Teirwgwyn Paper Gangsta At Bullyview ex Energon Shining Meteor) Brindle and white with fully filled up muzzle with good length. Ears and expression are excellent giving an outstanding head. Long arched neck running into well set shoulders, well laid back with good length of upper arm. Strong body with deep and broad chest, good bone, on straight legs with tight feet. Being picky, the midsection is long but leads to a good bend of stifle with a strong thigh. Movement is good coming and going.

Reserve Winners Bitch

Kibler, Poole and Poole **ROCKY TOP'S CHERISH YOUR DREAMS** (Hawthorn Dragon's Heart ex Rocky Top's Sweetest Dream) One of three litter sisters who made this a hard decision. Saw these same sisters a couple of weeks later and it reminded me why this was a tough call. Solid brindle with packed up head and with good length. Good eye placement with good ear set. Flowing into a long length of neck and setting a picture in profile. The shoulder is good with decent bone and good feet. Flows to a well angled rear. Moved ok coming but a little close in the rear. Shorter coupled than the winner but gave way on maturity and overall strength.

Best of Variety

Kibler, Poole and Poole **ROCKY TOP'S DREAM CHASER** (sire's name ex dam's name not bold) Cobby brindle boy with great strength in a small package. Filled up head with good expression and ear set. Brother to the 3 sisters and the expression obviously passed through the litter. Good spring of rib for his age,

with good bone on straight front, down to his tight cat feet. Short coupled and strong rear with good strength in the rear. Moved well going, a little choppy coming but this was over shadowed by his type and cobbyness, giving good power in a smaller frame.

Select Dog

Rios and Wright **GLENTOM KING OF HEARTS AT ARAWAK** (Zappy Zack Timar ex Glentom's Queen of Hearts) Red dog with good strength for size. Strong filled head with good expression. Cobby body with decent layback of shoulder. Short upper arm affects his front movement and topline. Gave his handler a run for his money but got him under control to move him down the mat.

WHITE

Winners Dog and Best of Winners

Diniz **SOME OKIES USS ENTERPRISE** (Kingsfarm's Hot Classy Devil ex Some Okies Snow Maiden) Unmarked white dog who unfortunately will go unnoticed far more than he should. He is very correct with everything in good proportion. He has a filled head with the smooth gentle profile as the standard requests, nice width and good expression. Head flows through a clean neck into a good shoulder with required spring of rib. Straight front and clean feet. Moderately coupled, with a strong rear. Moves well in both directions.

Winners Bitch

Wright, Godambe and Cournoyer **GLENTOM SPICY CRÈME LATTE** (Padhen Hitman ex Glentom Crème De L'Orange) Solid white bitch. Head filled with a decent eye and good ear set. The virtue of this girl was her outline with a well put together shoulder and straight front. Great forechest and good spring of rib with a topline flowing into a nice set on tail, with good bend of stifle and strength in the rear. Moved well coming and going and held her topline on the go around.

Reserve Winners Bitch

Mullen and Mullen **IROC RIDE OR VIE** (Grabo Acie Holiday Moon ex Glentom Crème Brulee) Black eye patch with a strong profile and fill. Still maturing which will continue to widen and strengthen the head further. Neck flows into a well set back shoulder with decent length of upper arm. Front is straight with good feet. Body is still maturing but good strength and good bend of stifle in the rear. Would prefer more strength in the rear but that should come with maturity. Moved well when she decided to work with her handler.

Best of Variety

O'Doherty, O'Doherty and Prater-Piles **FORMULA FOR A DRAMA FREE BROTHER** (Action Devils Apprentice By Formula ex Actions Formula For A Queen) Admired this white for awhile but he has struggled to enjoy the ring life. Today, this was not the case. Happy, go lucky attitude on his toes showed off his virtues to the T. He has fat a filled head with a eye marking that is different but

unable to hide that outstanding virtue. His neck is a little on the shorter side but sets into a well made shoulder which surrounds a great spring of rib and depth of chest. Good strong bone and tight cat feet. Shorter coupled into a strong rear with good power and bend of stifle. Jauntily moving around the ring like he owned it, well, he did today.

Best of Opposite Sex

Cremeans, Evans and Leonard **GALACTIC BITTERSWEET LEGACY AT IRUKANDJI** (Mighty Crew Irukandji ex Galactic Double Star) Another long admired animal from ringside. This bitch has type to boot and virtue to go with it. Good long filled head, with expression and profile to match the length & quality. Good spring of rib, clean front and good depth of brisket leading to well bent stifle. To be picky, would prefer a little shorter in loin but an impressive bitch.

Select Dog

Leonard and Cremeans **RASELS BULL AC DC** (Rasels Bull Elvis ex Rasels Bull True) Strong cobby boy who also has great virtue. Good profile with good length. Decent fill but fell short of the winner. Great strength on a smaller dog but his front is a little short in upper arm, affecting topline on his move. Powerful body with strong rear. A very nice dog with great type.

Select Bitch

Maddox **QUICKSILVER STELLAR TEENAGE QUEEN** (Quicksilver Wanted Man ex Quicksilver Moonlit Seas At Diablo) Solid white power house of a bitch. Long filled head and good expression. Straight front with laid back shoulder, excellent bone and good feet. Would have liked to see a little more upper arm. Stacked she has a strong topline with great strength in her rear. Good movement coming and going. This will be a producer.
