Many thanks to the judge's selection committee and the BTCA for the honor of judging the 2025 Futurity. Thank you to the show committee for keeping me updated and running a smooth show. It was a fantastic week and I'm so grateful I was able to be a small part of the week.

Antle, Antle and Carmichael's **SIERRA VIEW CROSS INTO THE TREASURE VALLEY** (CH Grabo Bugatti By Formula x Sierra View Bestuvall Cross The Golden Gate) White bitch. Elegant and feminine in full silhouette. Epitome of feminine. Good front assembly and rear angulation. Moves effortlessly around the ring. Good expression, pleasing from the front. Lovely long neck with plenty of reach. Nice round bone. Tight cat feet.

McCall|Dykema, **CH BESTUVALL BOMBSHELL AT NOBLE** (GCH CH Action Kiss My Grits From Old Forge x GCH CH Bestuvall Obsession) White Bitch with 2 colored eyebrow markings. These markings help create a great expression. Ears are bang on top of her head. Her head in profile is stunning. Her roman finish goes all the way to the tip of her nose. Very good width and fill. Her chest is deep, good brisket. Moves with reach and drive. Good front assembly. Mouth is off but it's easily overshadowed by her correct headpiece.
