

My heartfelt thanks go to the Bull Terrier Club of America for inviting me to judge their Isis Vabo Trophy. There was a lovely entry of 29, both dogs and bitches. When they entered the ring, all were handled perfectly. The exhibits' quality level was excellent, and their outstanding conditioning was apparent. To all the exhibitors who entered under me, it was a great pleasure to examine your Bull Terriers; thank you for your trust.

My winner of the 2023 Isis Vabo Trophy:

GCHB GRABO FRANKIE GOES TO MAGOR

I first judged this girl over a year ago and could not take my eyes off her. Then, one year later, she came into the ring and, this time, stole my heart. There is nothing I can say about her that hasn't already been said.

This girl moves around the ring with ease, power and grace. Her head is full and strong with an excellent Roman finish. She has great expression and a perfect mouth. Length of neck is good and flows into a correct shoulder. Her elbows are well tucked, and she has good round bone with lovely cat feet. With correct length of back and good bend of stifle, she stops foursquare every time and is always perfectly positioned. This Brindle girl was an absolute pleasure to examine.
