How exciting to judge a breed I love at an iconic and historic club such as Santa Barbara. As a midwesterner I didn't get to this spectacular show in its' heyday except for once and have only judged there one other time so it was a real pleasure to get back. I am so glad that the Bullies are supporting this show with ROM shows and honored to have judged it. Thank you to all the committee members and all those who entered under me.

Once again I must commend the breeders on the great work they have done on bites. I am seeing more good bites now than questionable ones and very rare do I see one I would consider unacceptable. I applaud you all. This goes for minis as well as standards.
