

Bull Terrier Club of New England
August 17, 2025
Sweepstakes Judge: Grace Thomas

I thoroughly enjoyed my assignment and appreciate all those who entered. Although entries were limited, the quality was there. The camaraderie was clear in this club – the venue was spacious and cool, and the hospitality was super. I hope that more people will support this club as it is all about the dogs, let us not forget this!

COLORED 3-0

Fullwood and Jaspers' **NOTORIOUS FOX AROUND AND FIND OUT** (GCHB Hawthorn Dragons Heart ex Notorious No Fox Given) Brindle and white strapping youngster; at just under a year, came into the ring with exuberance and gave his handler a workout. A dramatic profile with strength and fill, wicked expression; small, keen eyes and good ear set. Incisors just under, correct canines. Good bend of stifle, strong topline. A very typey dog who I imagine will get better with maturity.

WHITE 0-2

Clayton's **SORABULLY'S DOUBLE DOWN ON SUSHI POP'S** (GCH SoraBully's Sushi's IchiBan x SoraBully's You Had Me at Konnichiwa) Compact, moderate sized bitch with good bone down to her feet. Good topline, good angulation and square. Correct bite, gentle profile. Showed well. To be fussy, ears could be placed closer. This is a good example of a moderately sized Bull Terrier with bone for size. She was neither coarse nor overly feminine.
