COLORED

**Winners Dog**

**JAVARKE FALCON'S FUREY** (Energon Silversmith Javarke With Bullwitches - Javarke Yara Falcon.) Cristian and Maxmie Peirano. Strong brindle dog with good rib spring and substance especially for his age. Fat filled head with good bite and expression. Good round bone to nice tight feet. Rear was a little high but he still had ok bend of stifle. Movement was ok coming and going but could have been stronger on the topline going around.

**Reserve Winners Dog**

**JOCKO'S SHOW GUN** (Jocko's Kid Bullets @ Jackannettes - Rasel's Bull Voice Of The Heart.) Renee Bronson, Annette Kart, Jack Degidio. Mahogany brindle, like the Winners, strong dog, with good rib spring and substance. Another fat filled head with good bite and expression. Good bone and feet but front was a bit more loose than the winner. Angles both front and rear were a little less and this was apparent in movement.

**Winners Bitch and Best of Winners**

**MMW IT'S MY LIFE** (Rebelside Secretariat ex MMW Moxie) Carter, Block's. Superbly headed, with egg shape, well filled fawn bitch. Expression and ear set with good bite. Beautiful round bone with tight feet. Good angles both front and rear but slightly short upper arm is revealed in the topline on the move. Going and coming she moves parallel. Very competitive bitch.

**Reserve Winners Bitch**

**STONEHOUSE'S BAD BETTY'S A STAR** (Tawnbarr Shooting Star - Notorious Miesha Tate) Melany Aten. Black brindle bitch with good substance. Nicely filled head with length. Ear set was a little wide. Angles were good on both ends with a substantial body, but she was a little long cast, which gave a slightly loose topline. Her movement was good coming and going.

### **Select Dog**

**FORMULA ACTION PRINCE OF THIEVES** (Emred Devils Advocate - Actions Formula For A Drama Princess) Kristy Utt. Strong brindle dog who put his owner through her paces. All Bull Terrier for sure. He has a well packed up head with bang on ears and expression. Good spring of rib and straight front. Good angle in the rear but movement hard to assess as, like I said: All Bull Terrier and why we love them.

### **Select Bitch**

**BAYSHORE SWEARS LIKE A SAILOR IN SOQUEL** (Unfailing Ocean View - Quicksilver Song Of The Sea At Soquel) Gail Harlamoff, Ashlee Boyda, Ray Draper, Brent Ruppel & Naomi Waynee. Balanced brindle bitch. Well filled head with good length and expression. Good angles at both ends with good bone for type. Short backed. Good movement in both directions.

### **Best of Opposite Sex**

**GRABO MOVES LIKE JAGGER AT WILDBLUE** (Rabram Rock Star - Grabo Bahama Moon) Sara Pearce, Grace and Robert Thomas. Substantial brindle, with excellent bone and substance. Fully packed up powerful head with good expression. Prefer the front to be cleaner but this boy has virtue. Slightly long cast but wonderful spring of rib. Well angled in the rear and moved as such. Front movement was a bit loose. This is one virtuous boy.

### **Best of Variety**

**GRABO MOONLIGHT DIVA** (Rabram Rock Star - Grabo Bahama Moon) Grace & Bob Thomas. Difficult decision amongst the girls, as many were quite worthy but this girl won on her strength. Packed head with a good eye. Straight front, good bone and excellent spring of rib. Slightly long cast but with front and rear matching angles and moving with reach and drive, her overall quality won her the day.

### WHITE

### **Winners Dog and Best Of Winners**

**ROZEHAVEN'S TWO FOR THE SHOW AT LOZO** (Emred Devils Tri Star - Luxury Avenue's Freyja Of Rozehaven) Lori Jacobson. If the goal is a balanced dog with short back this is it. There is a little more to it than that, which is obvious when running in to the variety winner. In this case, I would just like a little bit more, but if you have a heavy weight bitch who needs help in the construction dept. Here he is. Good length of head with fill and correct ear set. Neck flows into a good shoulder with correct angles, straight front, strong topline, followed

by correct angles in the rear. Moved well coming and going. A little more power overall would help.

### **Reserve Winners Dog**

**SECOND2NONE KING OF COOL** (Apex Presents The Italian Stallion At Action - Second2None Crown Jewel) Tami & Bill Shaw. Stallion of a dog with bone & power. Powerful head with good bite. Strong throughout with straight front, would prefer tighter feet. Moves well for a substantial dog

### **Winners Bitch**

**BESTUVALL BOMBSHELL AT NOBLE** (Action Kiss My Grits From Old Forge - Bestuvall Obsession) John McCall & Jan Dykema. Young girl in beautiful condition & muscling. She is strong enough for her age and has the quality which will just get better as she matures. Fully filled head with keen eye. Mouth good. Nice reach of neck, runs into a nicely made front, with flowing lines to her rear. Moved well, coming and going.

### **Reserve Winners Bitch**

**GLENN'S PEARL OF BULLARDS** (Soquel Millenium High Seas - Lavish N Bullards Country Storm) Daryl Glenn, Ted & Jan Gothan. Good length to the head, would prefer a little more power. Bite OK. Good length of neck with straight front. Adequate bend of stifle. Topline is a little loose on the go round but good coming and going.

### **Select Dog**

**SIERRA VIEW BESTUVALL IN THE CROSS HAIRS.** (Bestuvall Old Spice - Bestuvall Cross My Heart) Carrie & Frank Taeu, & Mary Jo Antle. Substantial without coarse. He is really balanced with a wide, fat filled head with piercing expression. Perfect bite. He has the right angles both fore and aft with excellent width of chest and good bone. Holds his topline on the go round which is unsurprising with his construction. Moves well coming and going.

### **Select Bitch**

**TWYLITE FULL MOON RISING.** (Grabo Acie Holiday Moon - Twylite Return To Sender) Catherine & Larry Boley, Bob Myall. A bitch I have seen and admired from ringside. Fully filled head with length. Good expression. Good balance and well made with correct angles. Even though she could do with a few less donuts, her movement quality was still obvious to see.

### **Best of Opposite Sex**

**GALACTIC BITTERSWEET LEGACY AT IRUKANDJI.** (Mighty Crew Irukandji - Galactic

Double Star) Anna Cremeans & Beth Evans & Jackson Leonard. Strong bitch who I have judged a number of times before. She has multiple virtues with very minor faults. Not to repeat myself in her evaluation, I am just going to say. I am excited to see what she produces in the whelping box.

**Best of Variety**

**GRABO SUBTLE AS THUNDER** (Rabram Rock Star - Grabo Bahama Moon) Grace & Bob Thomas. Typey white boy with lots of substance for size. Fat filled head with good expression. Bite OK. Good lay back of shoulder with decent length of upper arm. Strong bone on a straight front. Short back, strong rear quarters. Moves well in both directions.
