Energion Silversmith Javarke with Bullwitches x Javarke Yara Falcon

Strongly built brindle and white male, long in cast, well turned strong head, with good expression, good bone, tight feet. I would prefer better construction, his short upper arm and croup affect his top line with high tail set. Showed and handled well.

Renee Bronson & Annette Kart & Jack Degideo **JOCKOS SHOW GUN**

Jockos Kid Bullets @ Jackannettes x Rasels Bull Voice Of The Heart

Brindle & white flashy male strong head with gentle profile, could do with more fill under the eye. Ears are set wide apart and his canines are inverted, he's got lovely bone into very neat feet, he's in good condition. I would prefer a better upperarm he's forward placed. He's balanced front and rear, loses his topline on move.
