We survived the weather and luckily during bull terriers we didn't get the rain. That started in time for the poodles. The week provided us with every weather option possible. The entry was small and then added absentees made it even smaller. Hopefully this specialty will grow when it moves indoors and is in combination with the AKC show in December.

Colored:

Winners Dog, Best of winners: Newbury, Bartkowiak & Murillo. **Agbar The Aftermath** by Ch Vetsbullies Keep A Knockin' Into Megaville out of UKUSA Supercilious. Actually all three colored class dogs had a lot of quality. Well balanced, strongly built brindle male. Strong in bone, great feet, good bite. Lovely curvy head, keen little eye and tidy ears. Has a little more lift in his front movement but his head put him over the others on this day.

Reserve Winners: Alexis Vichlenski. **Cinnabar Nauti But Nice** by Cinnabar Ghosts of Christmas Past out of Abbeyroad's Devil Eyes. Well muscled, short backed red and white dog. Also strong in bone and good feet. Good bite and keen little eye. Nicely balanced and correct topline.

Winners Bitch: Walter Baval & Brooks Jackson. **Old England's Miss Independence** by Fortified With Beauty At Aricon out of GCH CH Old England's Bombshell At Bristol. Lovely feminine sized brindle and white bitch with correct outline, short in back. Strong in topline and bone.

Reserve Winners: Rebecca Poole and William Poole and Lori Kibler. **Rocky Top's Such a Charm** by GCH CH Rockytop's Outlaw Kind out of GCH Rocky Top's Sweetest Dream. Not as well balanced as first, but pleasing head on this tri colored girl. A little more ring experience with help her.

Best of Variety: Lori Kibler, Rebecca & William Poole. **GCHS CH Rocky Top's Dream Chaser** by GCHB Ch Hawthorn Dragons Heart out of GCH Rocky Top's Sweetest Dream. My BOS at the national 2 years ago and he is maturing nicely. Strongly built boy with correct proportions, strong in bone. Lovely curved head with good finish. Keen eye and good bite. Placed him third in the group that day and in a very powerful terrier group.

Best Opposite: David and Cheri Croucher. **Ch Old Forge Hershey Kisses By Action** by GCH Ch Formula For a Drama Free Brother GCGUTKAVSWI out of GCH CH Action Kissed By The Divine From Old Forge. This brindle and white bitch was definitely challenging for BOV. Love her outline and balance. Strong topline and correct tailset. Gently curved head, tidy little ears and keen triangular eye. Slight mouth fault. Has a little more leg under her which pleases my eye.

Select Dog: Ismael Rios & Glenna Wright. **GCH Glentom King of Hearts at Arawak** by Happy Zack Timar out of Gent's Queen of Hearts. Solidly built red and white male. A bit soft in topline. Good length of head, filled throughout. Good bite and keen eye. Nice jaunty gait.

Select Bitch: Rebeccas and William Poole & Lori Kibler. **Ch Rocky Top's Dare to Dream** by GCHB CH Hawthorn Dragons Heart out of GCH Rocky Top's Sweetest Dream. Nice feminine size on this brindle bitch. Well balanced fore and aft. Keen triangular eye on a well balanced

head with good fill. Would love to see a tad more leg under her to give her a better proportion. Her attitude has greatly improved since I saw her last.

Whites:

Winners Dog: Aimee Thoms & Ismael Rios & Glenna Wright. **Arawak Wight Knight with Glentom** by Ch St George Mr Magic Man out of Ch Glentom's Figment of My Imagination. Not a strong group of white males. Love this dog's body. Correct balance, short in back, strong in bone, good tailset and carriage. His head is not his forte, has good length but lacks the gentle curve. Smooth through the shoulders and moved with the desired jaunty gait.

Reserve Winners Dog: Cameo Ingram. **Galactic Prince of Peace** by Ch Galactic King of Heats out of Formula Drama at Galactic. White dog with one black ear. Good strength of his head. Keen eye and tidy little ears. Nice width of fore chest. Topline has a bit more rise in the loin that I like.

Winners Bitch and Best of Winners: Ismael Rios & Glenna Wright. **Arawak Queen of the Seven Kingdoms with Glentom** by Ch St George Mr Magic Man out of Ch Lento's Figment of My Imagination. Pleasing white bitch with eye and ear patch. Lovely eye and strong in head. Nice body but a little soft in topline.

Reserve Winners: Colin Greaney Lisa Greaney. **Auburn Princess of Shamrock and Chicane By Formula** by Embeds Devils Advocate out of GCH Actions Formula For a Drama Princess. Nicely sized feminine bitch. Great head and expression but bite is off. Love her balance. High tailset and carriage.

Best of Variety: Gregory Armstrong & Victoria Sottile. **Ch Alaric Star Spangled Sister** by GCH Malaga's Formal For a Drama Devil out of Ch Alaric Wish Upon a Star. This is a great bitch who just keeps getting better. Slight mouth fault. Love her size, balanced both ends, short in back, solid topline and moves will with the desire jauntiness. Pleasing head with the gentle curve, triangular eye and tidy little ears properly placed. Shows and moves extremely well. Wish I had more ribbons for the group.

Best Opposite Sex: Heather Miranda & Amy Woodman Jaspers Phil Jaspers. **Notorious Breaking News** by Notorious Fake News out of Ch Notorious Atomic Blonde. A worthy white dog with dark ear markings. Strong in bone and cat like feet. Keen triangular eye and expression and small properly placed ears.
