Judge: Scott Ibbitson

I would like to thank the CNJBTC for inviting me to judge their supported entry. Good weather in abundance makes life easier when traveling to the Raritan Center and the surrounding area due to congestion and so many roads connecting together. Always a favorite, stopping by the Harold's Deli that never disappoints. Many thanks to the exhibitors for bringing your dogs for me to go over. For the Bull Terrier breeder, this spring show is one that should never be missed. Plenty of camaraderie for discussing the dogs or catching up with good friends that we do not see often because of the distance.

COLORED

Winners Dog and Best of Winners

Champion, Deevers and Perrott's **APPRENTICE DANCIN WITH THE DEVIL** (GCH Formula for a Drama Free Brother CGC TKA VSW1 ex GCH Apprentice's Gandy Dancin TKN) A brindle and white with a super amount of turn to his head. Good expression with just enough fill under the eye and plenty of roman finish. Mouth is just off with a canine is tight against the gum, the other is correct. Good reach of neck into a straight shoulder and solid top line and a short back. This is a big young dog, he has a lot of leg underneath him still he still needs the body volume to the rib cage to fully balance him out making a compact outline. This dog has tremendous bone that carries from the top of the legs right down into his beautifully proportionate large tight cat feet. He stands powerfully upon his upright pasterns. A super straight front with elbows tight against the ribs. Good angles to the hind quarters, would like a shorter hock. He moves well both coming and going. A true powerhouse that is full of potential, just needing a little more time to fully mature.

Reserve Winners Dog

Dowdy and Gran's **ACTION DIVINE SUN KISSED** (GCH Formula for a Drama Free Brother ex GCH Action Kissed by the Divine from Old Forge) A brindle and white with unique facial markings. A gently turned head with good expression and good ears. Not enough fill under the eye or turn of head compared to the winners dog. Correct mouth. Good bone for his size. Ok length of neck and length of back, he needs just an inch for leg under him. Moved well both ways, tough day running into the winner.

Winners Bitch

Deevers, Perrott and Migliore's **APPRENTICE TAP DANCIN SHOES** (CH Action Headed for Fame ex GCH Apprentice's Gandy Dancin TKN) A solid brindle with a long sweeping head with small triangular eyes. Enough fill under the eye and good foreface. Mouth is correct. I would like a better ear set. A youngster that needs to fill out in body yet. She has not sprung her ribs, good reach of neck to shoulder and a ok top line. She appears long cast at the moment due

to maturity. Enough bone for her size. She moves a little puppyish both ways due to her age but still good enough to win on the day.

Reserve Winners

Weiner and Lindquist's **MADCAP GOT RAINBOW MAGIC BEANS OVER PATCH**

O'BULL (CH Madcap Jump the Pond ex GCH Madcap Tillamook Joy's Advocate) A red brindle and white with an ok turned head. Ears standing straight up, ok expression and fill under the eye. I would like a smaller eye. I do not have a critique on her mouth. A full white collar and reaching neck into a ok shoulder and top line. I would like a shorter back. Just enough bone for her size. Moved ok in front, a little close behind.

Best of Variety

Kibler and Poole's **GCHB ROCKY TOP'S DREAM CHASER** (GCHB Hawthorn Dragon's Heart ex GCH Rocky Top's Sweetest Dream) A masculine brindle and white with ears right on top, small triangular eyes yielding a super typey expression. Good fill under the eye and proper length of foreface. Mouth is correct. A solid strong shoulder with enough reach of neck. Plenty of rib spring along with a short back. Nice straight front with elbows tucked against the rib cage. Plenty of bone and substance to the package. A good hind quarter, a muscled second thigh, with correct angulation and a short hock. Moved properly both ways. This dog was pushed hard by the winners dog, but his maturity and balance won out on the day.

Best of Opposite Sex

Good ear placement and expression, I would like better fill under the eye. Mouth is correct. Strong thick neck, solid shoulder and top line. He needs a shorter back for better balance. Good bone for his size, carrying a few too many pounds on the day disrupting his outline. Straight front and a strong hind quarter, he mover squarely both ways.

Select Bitch

Glaser and Lindquist's **GCH MADCAP TILABOO SILK PAJAMAS** (CH Patterned Head Bull Boot ex CH Madcap Tilaboo Joy's Advocate) A red and white with a turned head and ears pointing up. Needs a little more fill under the eye.. Mouth is just off but with correct canines. A

Sharp erect ears, good expression with deep-set eyes. Plenty of bone and fill under the eye. Mouth is correct. Thick neck into a solid upright shoulder and good top line. Has a relatively short back, but is masked due to being about 2 pounds heavy taking away from her outline and balance. Very good bone for her size. Straight front with elbows neatly tucked. A well muscled hind quarter. Moved well in front, a with drive from behind.

Reserve Winners Bitch

McClamrock and Deevers' **APPRENTICE DANCIN THE CHA CHA** (CH Action Headed for Fame ex GCH Apprentice's Gandy Dancing) A white with a nicely turned head. Ok ear set, small triangular eyes that are well placed. Good length of foreface. I would like better fill under the eye. Just the opposite of the WB this girl is still immature in body and needs to fill out. Good reach of neck into a an upright shoulder and good top line. In need of spring of rib to balance her out for her length of back. Ok bone for her size. A straight front and good rear end, she moved well both ways. She should look completely different when mature.

Best of Variety

Mouth is correct. Super reach of neck into a strong laid back shoulder. A solid top line and a short back. Beautiful straight gun barrel front along with lots of body volume. Hind quarters are properly angled and well muscled. Enough cannot be said about her bone and substance, she has it to spare. Best of Opposite Sex

Smith and Cox' **GCHB SOME OKIES HOT CLASSY LEGEND OF DEVILS SPY** (CH Kingsfarm Hot Classy Devil ex Some Okie's Wicked Witch) A white dog with black ear markings and a pleasingly turned head. Good ears with dark eyes, I would like them smaller. Good length of foreface, not enough fill under the eye. Mouth is correct. Ok reach of neck into a solid upright shoulder and good top line. Slightly out of condition, needing a couple extra pounds of muscle with some hard exercise. I would like a shorter back. Enough bone for his

size. Straight front, moved good coming towards and ok going away. An easy BOS, no other dogs in competition.
