January weather wreaked havoc on the entries this weekend, but I was glad to see that the overall quality of the entries was high, and that the weather in Brooksville didn't beat us up too badly. Thank you to the Club and the exhibitors for a break from the New England winter.

COLORED

Winners Dog/Best of Winners

Tarcov's' **ENERGON CHESS DEVASTATOR** (Terirwgywn Paper Gangsta At Bullyview ex Energon Shining Meteor) Eye-catching, cheerful black & white dog, shortish, filled and packed up head, with a scissors bite & one inside canine, ears well placed. He is square and balanced front & rear, with a straight front, and short back. I'd like to see more body volume. He moves cleanly all ways with good drive.

Reserve Winners Dog

Jacobson & Meiers **UNFORGETABULL LOVE OF A DRAGON'S HEART** (GCh Hawthorn's Dragon's Heart ex Galactic Love That Action) This is a year old dog, red & white, much more up on leg and visibly immature. He's got plenty of bone & substance, but lacks adult musculature, and gives way in profile to the WD. He's well bent in the rear, and it will be interesting to watch him develop into himself

Winners Bitch

Dentons, Pooles, Kibler **ROCKYTOPS DREAM SEEKER** (GCH Hawthorn Dragon's Heart ex GCH Rockytop's Sweetest Dream). Cobby brindle and white bitch with lovely turn of head. Bite is good but canines are tight. She has a sweeping profile, leading to a well arched neck and short strong topline. She's nicely angled and balanced front to rear, and moves cleanly. She's got type oozing out of her pores.

Reserve Winners Bitch

Nemec, Cournoyer, Wright & Nelson's **GLENTOM THAT OLD BLACK MAGIC**. (Ch Glentom Change of Heart ex Moonflower White Shiba) Pretty headed brindle & white bitch, long well turned head, bite just off. She wasn't completely happy in the ring and didn't show herself to advantage. She's just a year old and should do well with more maturity and confidence.

Best of Variety

Blackwell, Stafford and Poole's **ROCKY TOP'S CHASING DREAMS** (GCHS CH Hawthorn Dragons Heart ex GCH CH Rocky Top's Sweetest Dream) Absolutely beautiful package, this solid golden brindle girl has a beautiful egg shaped head with width under the eyes and down to the

end of her muzzle. She's typey and balanced from every angle, and moves with purpose and power. Her bone is appropriate to her size and her angles are lovely in silhouette, presenting graceful curves without extremes. She's a lovely blend of bull and terrier.

Best of Opposite Sex

Klein, Arroyo, Schuur and Berez' **GCH CH ACTION KISS MY GRITS FROM OLD FORGE** (GCH CH Formula For A Drama Free Brother CGCU TKA VSWI ex GCH CH Action Kissed By The Divine From Old Forge) Dramatic brindle & white dog with terrific bone & substance and an impressive head. I love his muzzle power and depth. His mouth is not correct. He's impressively masculine, balanced front to rear, with an outgoing, friendly temperament. He has so much breed type and virtue that the mouth fault becomes secondary.

Select Dog

Kibler & Pooles' **Ch Rockytops Dream Chaser** (GCHS CH Hawthorn Dragons Heart ex GCH CH Rocky Top's Sweetest Dream) Brindle and white moderately sized dog, with a beautiful filled and turned head and perfect mouth. He has super bone and substance, and is well balanced, with lovely moderate angles and clean, powerful movement. This was the most difficult decision of the day for me, and I went with the more mature dog.

Select Bitch

Kibler & Pooles' **Ch Rockytops Cherish Your Dreams** (GCHS CH Hawthorn Dragons Heart ex GCH CH Rocky Top's Sweetest Dream) Another from an outstanding litter; this is a solid dark brindle bitch with a perfect mouth, not quite the overall smoothness of head as her siblings. She, too, is balanced front to rear with lovely moderate angulation, and moves as cleanly as she's made. Her type and substance is consistent with her siblings.

WHITE

Winners Dog, Best of Winners, Best of Opposite Sex

Cooke and Rodamaker's **LECHMERE HIDDEN SECRETS** (Super Bowl's Amadeo ex CH Lechmere Baby Sister) Heavyweight white dog, upstanding, with a long sweeping head, great expression and neat ears. His canines aren't correct. Short strong topline and really nicely angulated rear. I'd like better shoulder layback but he's virtuous and masculine and moves well when he settles.

Reserve Winners Dog

Miranda and Jaspers' **NOTORIOUS BREAKING NEWS** (Notorious Fake News ex CH Notorious Atomic Blonde) A more compact dog, not the unbroken profile of the WD or the confidence while moving. He's got lovely bone and substance, a short strong topline and good depth of body. Mouth is not correct, but he has plenty of masculine virtue.

Winners Bitch

Bruegger's **KENOS WHISTLE STOP BY FORMULA** (GCH CH Action Devils Apprentice By Formula - CH Formula Auburn Power White Tiger Lady) Elegant, balanced white bitch with a brindle eye, she has a lovely profile, could use more fill under the eyes. Bite just off. She could use a bit more bone and substance, moves well. I'd like to see more angulation in the front quarters, but she's feminine and typy.

Reserve Winners Bitch

Rios and Wright's **ARAWAK QUEEN OF THE SEVEN KINGDOMS WITH GLENTOM** (CH St. George Mr. Magic Man ex CH Glentom's Figmint Of My Imagination). Super cobby white bitch with a big brindle ear & eye patch. She gives way in elegance and head type to the WB, but has a short strong topline and balance front to rear.

Best of Variety

Barnes, Berez and Schuur's **GCH ACTION LOVEY DIVINE BY OLD FORGE CGCA TKP** (GCH Formula For A Drama Free Brother CGC ex. GCH Action Kissed By The Divine From Old Forge) Well made solid white girl with a long, strong and beautifully turned head, and wicked head-on expression. She's got an unfortunate mouth, but her virtues of construction, head and movement were undeniable. She's got a short strong topline, well bent rear quarters, and moves cleanly all directions. To be picky, I'd like more shoulder layback.
