

## BTCA FUTURITY

Judge: Phil Brodeur

October 11, 2024

I would like to thank the JSC for inviting me to judge. I had never judged a Futurity before and I have to say that after thinking about its intention of managing for a forward thinking breeding program, I really appreciate its essence. That being said, I had a blast! Well behaved pups made for a great day. Thanks for entering.

Best 6-9 Puppy, Best Futurity Puppy:

Thomas' Grabo Subtle As Thunder (Rabram Rock Star ex Grabo Bahama Moon) What a delightful white stud muffin! He has a lovely head with good width, power and depth for such a young age. One tooth off and a close canine. Very good expression enhanced by correct eye shape and placement. Strong neck that could use a tad more length leading to good front end construction, which has promise of width and correct shoulder lay back and set in. Good bone and spring of rib for just a baby. Good length of back and topline. Well balanced in rear with good let down. Moved as you would expect a baby gladiator to...loose but with power. He has all the makings of a very good one. Time is on his side. A pleasure to have him.

Best 9-12 Puppy:

Evans, Egnot, Creamens and Leonard's Galactic Queen of Hearts (Ch. Galactic King of Hearts ex Formula at Galactic) A stylish white girl with a nice head of length and turn...would like a bit more width and fill. Well made. Could use a bit more bone. Moved cleanly but puppy loose. Has the makings of a lovely girl at maturity.

Best 12-15 Months Junior:

O'Doherty and Berez' Action Kiss'd By the Sullinator From Old Forge (GCH CH Formula For A Drama Free Brother CGCU TKA VSWI ex GCH CH Action Kissed By The Divine From Old Forge) A typy white girl who immediately catches your eye. She has a nice head with reasonable length and good turn. I would like more fill under the eyes and depth and strength of underjaw. Wonderful eye that catches your attention. A bit more length of neck would be nice. Good front/shoulder, bone and topline. She offers type as her calling card.

Best 15-18 Months Puppy, Best Futurity Junior, Grand Futurity Winner:

Armstrong and Sotille's Alaric Star Spangled Sister (GCHS CH Malajo's Formula For A Drama Devil ex Ch. Alaric Wish Upon A Star) A white girl with a winning combination of type with elegance. She has a lovely head with length, fill and depth. Good expression. Exquisite length of neck leading to a good front, shoulder and topline. Acceptable bone and spring of rib. Good topline which she holds on the move. Moves as made both down and back. Give her a year when she totally fills out her classical lines and she will be hard to beat on any stage. Absolutely beautiful.
