JUDGE: Gayle Denman

Thank you for the opportunity to judge the bull terriers in Michigan, love Michigan, grew up there. A lovely venue and super entries. Unfortunately, the time allotted to our specialties was severely compressed due to the previous judge running over by 20 minutes. This would not have impacted the specialties if not for 4 groups beginning in our ring immediately following the BTs and MBTs! I hope that we never experience this situation again, most unfortunate.
