I was asked to judge the class bitches and then my co-judge judges the class dogs. We judged the champions and finals classes together. My co-judge and I were in complete agreement on the top awards

Winners Bitch and Best of Opposite Sex

Cathy and Ron Hilt's **ADORABULL TINY DANCER** (Decadence Detroit Kid x GCH Clear Soul Bull El Bonito) Typy, exuberant black and tan bitch with smooth lines. She has a long, smooth dramatic profile and a good mouth, could use a bit more fill at the end of her muzzle and a smaller eye. Her overall body lines are very smooth and she has a shapely body, although I'd prefer a bit shorter loin and more bone.

Best of Breed, and Best Movement

John and Theresa Spurr, J Mcilwained and M Holsen's **ABERDEEN SPITFIRE AMAIZE-D TO BE FUZZLED** (Omega's Great White x Brownstone's Supermarine Spitfire) Shortbacked, typy white dog, he has a gentle profile with good fill and a piercing expression, his mouth is correct with one tight canine. Well balanced with a short back and loin, solid topline and presented in good condition. His compact proportions and typiness carried him to the top award. He moves close to parallel coming and going with good extension when viewed from the side, which led me to award him best mover as well.

Winners Dog, Best of Winners and Runner Up

Catherine Sodomsky and Teri Rumer's **HAVANTA BULL SABOTAGE** (Demidreams Playboy x Havanta Bull Galaxy) Attractive symmetrically marked red and white dog, he has a smooth profile and good fill with a correct bite. He has smooth body lines with a good topline and nice length of neck. He moves close to parallel coming and going, but not as much reach and drive as the winner when viewed from the side.
