Kristy Utt DVM and Krista Prater-Piles' **FORMULA ACTION PRINCE OF THIEVES** (By Emred Devils Advocate -- GCH Actions Formula For A Drama Princess)

Brindle and white puppy with good overall outline and proportion with matching bone. Won the day over his rival by having better head virtues, those being a more turned (but not excessive) profile, more ovoid head shape, a keener eye, and more erect ears. Thus a more pleasing expression with better body proportion when viewed front on.

Renee Bronson's **JOCKO'S SHOW GUN** (By Jocko's Kid Bullets @ Jackannettes' -- Rasels Bull Voice Of The Hear)

Also brindle and white and of similar immediate impression to the WD (see WD for some of the comparison). While having better front construction (more forechest and longer upper arm with better layback), he is a little long in loin. Head lacks a smooth transition from skull to muzzle. Clean in front movement.

Stacy Frawley, Walter Bavol Jr, and Jacqueline Decker's **GCH OLD ENGLAND'S HAPPILY EVER AFTER** (By GCH Hawthorn Dragons Heart -- GCH Old England's Not So Basic)

Brindle and white bitch with probably the best front and overall proportions on the day. Bone adequate and matches her size. Body of good width with correct topline and tailset, and a muscular rear with good angulation. Head of pleasing length and fill with a well-set small eye. Ears could be carried a little more vertically though.

Michael Cathcart II's **JARROGUES SIDEKICK** (By CH Tawnbarr Shooting Star -- Jarrogue's Hellcat)

Cobby black brindle and white with much breed virtue. Strong in body and neck structure, combining body volume with matching bone. Lovely turn of head, well filled and of good width plus a good bite. Good topline and correct tail set, but could have more angle in the stifle.

Lori Kibler, Rebecca and William Poole's **GCH ROCKY TOP'S DREAM CHASER** (By GCHB Hawthorn Dragons Heart -- GCH Rocky Top's Sweetest Dream)

Powerful brindle and white boy with excellent bone, body width and depth. Muscular, well-turned rear with a good tailset. A shortness in upper arm detracted from his front construction and movement. Strong, masculine head but a little pear shaped from the front. Correct bite. Powerful mover.

Gail Harlamoff, Raymond Draper, Ashlee Boyda, and Brent Ruppel's **GCH BAYSHORE SWEARS LIKE A SAILOR IN SOQUEL** (By Unfailing Ocean View -- Quicksilver Song of the Sea at Soquel)

Competed strongly for BOV losing out on keenness of eye and front construction which could have more forechest and upper arm length. She has a lovely, curved outline with good turn of stifle and excellent bone. Nicely arched neck and good volume of body. Pleasing length of head with correct occlusion and nicely set ears.

Kristen Christiansen & Dr.Franne Berez's **ACTION ROCKET MAN BY OLD FORGE** (By Formula For A Drama Free Brother CGCA CGCU FDC -- Action Kissed By The Divine From Old Forge)

Very promising puppy with good proportions already. Could have a little more angle in the rear, however. Nicely arched neck. Head combining a perfect bite, a keen eye and lovely erect ears in a very pleasing expression. Profile not exaggerated and with a hint of a brow.

Luis Vega and Ariana Rodriguez's **SUNRISE DON'T BE A MENACE** (By CH Javarke Argent At Energon -- Teirwgwyn Rising Flame) Having a better topline and tailset than the WD, he lost out on head quality. While of good depth his head shows a little flatness in profile and his bite is off. A cobby, dense dog of good bone and substance although a little stuffy in neck.

Suzann Hoesman, Linda Lethin, Jack DeGideo, and Annette Kart's **JOCKO'S TIGER LILY'S AT LIL'TICH** (By Jocko's Kid Bullets @ Jackannettes' -- Jocko's Bodacious Betty Boop)

Classy outline combining muscular curves in a feminine frame. Well-constructed front combining good forechest with well set shoulder and upper arm. Good topline and tailset on a muscular, well angled rear. Head of good length, smoothly contoured with keen eyes and well-set ears, connecting to a nicely arched neck. Correct bite. Haematoma unfortunately in one ear. Competed for BOV.

Kristen Christiansen & Franne Berez's **CH ACTION DIVINE GRACE BY OLD FORGE BCAT** (By Formula For A Drama Free Brother -- Action Kissed By The Divine From Old Forge)

Excellent constructed example of a sturdy, terrier type bitch with enough bone and body volume all in good balance. Excellent proportion, with good reach of neck smoothly connecting with a correct topline. Nicely contoured head of good length, with well set eyes and erect ears providing an eye-catching expression. Correct bite. Clean front on the move.

Steve Schmidt and Laurie Schmidt's **CH GRABO RORSCHACH REVELATION AT CERBERUS** (By Rabram Rock Star -- Grabo Bahama Moon)

A stocky, compact, cobby boy that oozes type. Very good proportion and outline – good body volume, topline, and very good bone, combined with strong well-turned stifles. Head of pleasing length with good width and especially good depth of muzzle. Clean mover. Carries brindle in an eye patch and a mismark in the middle of his back. Bite is his major drawback being both instanding and under, but has much virtue to compensate.

Suzann Hoesman, Linda Lethin, Jack DeGideo, and Annette Kart's **CH JOCKO'S BELLE STARR AT LILITCH** (By Jocko's Kid Bullets @ Jackannettes -- Jocko's Bodacious Betty Boop)

Terrier type of good substance. Very nice quarters combining muscular thighs with well-turned stifles. Reachy, nicely arched neck leading to a correct topline. Well-constructed in front, with body width, and well-set shoulder. Nicely curved head of good length. Correct bite. In comparison to the others, lost a little in expression having a lower earset than desired.
