Winners Bitch

#12 Ismael Rios & Glenna Wright's **ARAWAK QUEEN OF THE SEVEN KINGDOMS WITH GLENTOM** (By CH St. George Mr Magic Man - CH Glentom's Figmint Of My Imagination)

While both front and rear taken separately reflect good construction, she is a little long in proportion with some slackness in the middle. Tail set and rear angulation good, with bone balancing her size. Reach of neck very pleasing although she could have a little more layback in shoulder. Head of pleasing length but lacking underjaw and fill. Expression could be keener and ears could be set more on top. Bite is correct.

Best of Variety/ BOVOH

#10 Ruth Macdonald & Krista Prater Piles **CH FORMULA FOR A PRINCESSCA FOR STONEBULL** (By Emred Devils Advocate - GCH CH Actions Formula For A Drama Princess)

Beautiful outline combining muscular strength with flowing contours and excellent proportions (both in profile and front on). Could have a bit more bone though. Reachy neck, and well-set shoulder, with good length and curve of head and well set and shaped eyes. Lovely depth of muzzle, adequate fill, thus making for good expression. Correct bite. Topline and tailset are exemplary, as are her muscular well-turned quarters. Hocks well let down, and feet tight. Quality throughout, fully deserving of her win. Colored right ear (mostly red, though could be a light brindle).

Best of Opposite Sex

#11 Mary Holsen, Theresa Spurr & Bridget Brewer's **CH SIMPLE EGGS BAMBOO PANDA** (By Ice Court The Witcher - Cosmopolitan Cosmic Girl)

Cobby style, a little long in proportion, but powerfully built excelling in density of body (width and depth) and construction. Well put together in front, and rear is well muscled and angled. Neck of good length but could have a bit more arch. Head profile is adequate but I would prefer more power in the muzzle. Well set and shaped eyes provide a pleasing expression although his ears could be higher set. Good length of head and correct bite. Red eye patches.

Select Dog

#9 Aimee Thoms & Ismael Rios & Glenna Wright's **CH ARAWAK WIGHT KNIGHT WITH GLENTOM** (By CH St. George Mr Magic Man - CH Glentom's Figmint Of My Imagination)

Cobby style dog, similar in construction to the BOS but with a shorter back. Lovely tail set and powerful, well-turned rear. Has good width and depth of body. Lacked the head quality of the BOS since his head has some flatness in profile and lacks the depth of muzzle and underjaw needed in a male. Lovely dark eye but could be keener. Construction is complimented with adequate bone, neat feet, and strong pasterns.

Select Bitch

#14 Anna Cremeans, Beth Evans & Jackson Leonard's **GCHS CH GALACTIC BITTERSWEET LEGACY AT IRUKANDJI CGC TKN FDC BCAT** (By Mighty Crew Irukandji - Galactic Double Star)

Fault / virtue bitch a little long in proportion (length of loin). Lovely topline with tail set correctly below. Strong, well angled rear. While her forechest is prominent, her upper arm is a little short meaning her front movement is restricted. Seen from in front she has good width and depth of chest. Strong head for a bitch with well filled muzzle, good pigmentation, a dark eye and lovely expression. Bite is undershot.

COLORED 3-1 (3-3)

Winners Dog and Best of Winners

#7 Alexis Vichlenski's **SINABAR NAUTI BUT NICE** (By Sinabar Ghosts Of Christmas Past - Abbeyroad's Devil Eyes)

Red dog with much white on his face, neck, and forechest. Carried the day on his proportion and construction. Excellent length to height proportion, with substance throughout. Very good topline and tailset, with well-turned and muscular quarters. Good body width and depth. Strong neck of good length but could have a bit more arch. Prominent forechest with good shoulder layback. Bone adequate, strong pasterns and neat feet, with hocks well let down. Head of good length with good muzzle depth but could have more underjaw. Strong, masculine head with its combination of dark triangular well-placed eyes and the best set and carriage of ears were enough to overcome a slight pear shape rather than oval seen front on.

Reserve Winners Dog

#21 Mary Holsen & John Ketzne's **ST GEORGE SHADE OF THE BATTLEAX AT VALKYRIE** (By GCH CH Action Kiss My Grits From Old Forge - St George And Valkyrie Runnin Down A Dream)

Brindle and white with lovely symmetrical blaze and much white on the forechest. This dogs' qualities in front construction were offset by too much length in loin and a weak rear lacking strength and angulation. Well set shoulder and clean in front construction, with good spring and depth of rib. Very pleasing expression combining a muzzle of fill and width, well set dark eyes, and neat ears which could be set higher, however. Correct bite. Moved cleanly in front and rear, although lacking in drive.

Winners Bitch

#12 Georgina Martinez, Jorge Wimar Giraldo, & Pamela Pichilli's **ENERGON SILVER GANGSTA MISTY KNIGHT** (By Teirwgwyn Paper Gansta At Bullyview - Energon Silver Warrior In Space)
(No other class bitches were entered.)

Terrier style dark brindle and white slightly long in proportion and showing some loading of shoulder. Her length of body contributed to some slackness in the side gait. Good width and depth of body and good bone for her size. Topline and tailset are exemplary added to strong, nicely angled quarters. Lovely white collar. Excels in strength of head with lovely profile and a muzzle of width and fill but could have more underjaw. Dark eyes are nicely shaped and set, but the ears are a little large even for such a strong head. Occlusion correct but canines instanding.

Best of Variety / BOVOH

#19 Bridget Brewer, Nick Brewer, Glenna Wright & Jessica Graulau's **CH GLENTOM SUPER MOON RISING** (By CH Clansmann Super Flye Guy - CH Glentom Dark Side Of The Moon)

Brindle and white. Upstanding, well-constructed dog with good forechest, good lay of shoulder and upper arm, good topline and tail set. Lovely quarters, and strength of neck. I would like a shorter loin, but otherwise he is a well-balanced dog who moves well reflecting his sound construction. Good length of head, correct bite, very well filled muzzle with excellent depth but could have more underjaw (as did many others on the day). Nicely set eye, ears well set, with pleasing erect carriage. Strong dog overall and moves well.

Best of Opposite Sex

#8 Walter Baval & Brooks Jackson's **CH OLD ENGLAND'S MISS INDEPENDENCE** (By Fortifeyed With Beauty At Aricon - GCH CH Old England's Bombshell At Bristol)

Very pleasing terrier style excelling in construction and proportion, with very good width of body for her size. Quarters muscular with good angulation and strength. Tail carried well but onset could be slightly lower. Lovely forechest with well-constructed front overall. A little light in bone but enough for her style. Good strength of neck, enhancing her front in profile. Head well contoured but could have more underjaw. Ears could be set a little higher and carried more erectly. Expression a little soft (eye could be keener). Correct bite.

Select Dog

#9 Lori Kibler, Rebecca & William Poole's **GCHG ROCKY TOP'S DREAM CHASER** (By GCHB CH Hawthorn Dragons Heart - GCH Rocky Top's Sweetest Dream)

Powerful brindle and white with good width and depth of body and excellent bone. Exemplary topline and tail set on strong quarters that lack enough thigh muscle and turn of stifle. Strong neck added to a well-proportioned outline together with good length of head. Ears, while neat enough, could be set more on top. This detracts from his expression as does a slight openness of eye although they are well set. Muzzle well filled, bite correct.

Select Bitch

#14 Anna Cremeans, Jackson Leonard, Grace Thomas & Robert Thomas's **CH GRABO STRIKE A POSE AT IRUKANDJI** (By Rabram Rock Star - Grabo Bahama Moon)

Moderate, nicely sized brindle and white bitch with lovely blaze and collar. Topline falls away too much over the croup but she has good strength in the rear with short hocks. Proportionate bone. Lovely width of body for her size, with strong, reachy neck. Head is not quite as strong lacking a little in width and depth of muzzle. Ears are small and well set, and together with a dark, well-set eye, provide lovely expression. Head in profile is nicely curved, but the bite is slightly under which counted against her.
