Sodomsky's and Prater Piles **Formula Lotus Dream At Malajo** (GCHS CH Malajo's Formula For A Drama Devil x GCH CH Apprentice Podium Dreams By Formula)

Congrats to the owners and breeders and thank you for bringing her out. She showed well and deserved Best in Sweeps. A beautiful young girl.

Headpiece: long and strong with great muzzle strength because of her fill, a beautiful finish completed the look. Her eyes were clean and sharp while her ears were not set high as I'd like, she utilized them well to complete the entire package

Body: Full and complete with nice bone mass. Her chest was deep, wide and with great rib spring while proper shoulder placement provided a nice transition from her neck to her topline. Good movement coming and going.

Vincent, Craig, Lindquist, Mason, Vincent, Lindquist's **Ciera Madcap Megapixel** (Emred Devils Advocate x GCH CH Madcap Trickster Moon BCAT)

A young boy (6 months) with a beautiful typey body and strong movement.

This boy had a square body, good shoulder placement, nice rear angulation and overall type that says "I am a BULL TERRIER".

Body: Square and proportional body with correct shoulders and good rear angulation. Together it produced proper movement coming and going and setting up squarely when transitioning from movement to stacking. From the side he kept his topline and shape nicely while moving. Would like to see more front drive and purpose in movement

Head: A combination of length, muzzle depth, sharp eyes combined with a strong profile (but not overdone) and a strong finish to complete a headpiece that is very classic.
