#19 Michelle Whitman's **INDULGENCE THE NOTORIOUS COMPANY YOU KEEP** (By Notorious It's Nothing Personal - CH Indulgence Flight Of The Dragon)

A quality BT combining substance, proportion, with muscular contour. Lovely body depth and width, good bone for his size, strong pasterns, good turn of stifle, good tailset, nicely set strong neck with good reach. Head combines a muzzle of good depth, very nice profile (very slight hint of a brow), well set eyes, ears neat and vertical (but could be set very slightly higher up), and a correct bite. Slight looseness in front movement but not enough to detract from his other qualities. Fawn smut nicely marked with white (blaze, forechest, feet).

#9 Victoria Corse & Carolyn Patterson's **HAWTHORN THE GOALKEEPER FOR CORSAIRE** (By Leo Messi Hooligan's Bull - GCH CH Hawthorn Irish Coffee)

This young, nicely marked brindle and white dog is going through a gangly growth phase but shows promise. Some lack of balance is evident showing extra angulation in the rear, and a rib cage not fully sprung. Bone is proportionate, and the topline and tailset are very good. The head is of good length, depth and fill, although he needs to grow into his ears. Eyes well set. Immaturity cost him on the day.

#26 Yahir Ponce De Leon & Marlene Campos Sanchez & Hector Ponce De Leon's **HPB'S VIPER PRINCESS OF THE RING CGCA TKI** (By GCHS CH Rasels Bull Ac/Dc BCAT ATT FITB - Arnold's Ronda Queen Of The Ring Hp)

This misbehaving red and white (with some smut on the muzzle), shows some lovely body shape. Good turn of stifle with balanced angles and contours. Combines good length and strength of neck with a lovely curve of head which is well filled, adding to beautiful expression. This head quality gave her the edge over the RWB, as did her superior front construction. Very nice tailset plus strongly muscled and turned rear complemented her good overall proportion and matching bone.

#24 Barb Deevers, Cindy Perrott & Mary Kay Migliore's **APPRENTICE TAP DANCIN SHOES** (By Action Headed For Fame - Apprentice's Gandy Dancin)

Terrier style brindle with very little white outside of her forechest. Shapely outline side on with good topline and, while balanced, she lacks angulation at both ends. Front construction and movement is accordingly compromised through some loading of shoulder. Head nicely turned and of good length, but a slightly open eye, and ears that could be more on top (although neat) detract from her expression, a factor in her placement.

#8 Judith Morrison, Barb Deevers, Cindy Perrott & Mary Kay Migliore's **CH APPRENTICE PAINTIN THE TOWN RED CGC TKI** (By GCH Formula For A Drama Free Brother CGCU TKA VSWI - GCH Apprentice's Gandy Dancin TKN)

Red and white fawn smut. Compact, cobby type with lovely proportions consisting of body width and depth, lovely bone, strong pasterns, short hocks, and a well-turned, muscular rear. Topline shows a little too much curve over the croup but she has strength throughout, including the neck area. Head is smooth in profile, has good fill and depth of muzzle, and an expression while mostly appealing would be enhanced with ears set higher. Much quality throughout.

#11 Melissa Searles & Victoria Corse's **GCH REQUIEM STAY KHROME PONYBOY ATT** (By Ch Patterned Head Bull Boot - CH Khromeheart Corsaire From Provokacija)

Large brindle and white dog that at first glance may not be eye catching but reveals many virtues on closer examination. Aside from too much loading of shoulder (due to a short upper arm) he is otherwise very well put together. He has adequate bone for his size, strong pasterns, good turn of stifle, and has good proportion with a very strong body of good width, depth, and strength. Strong, masculine head with a nice profile but a hint of an eyebrow. Good depth of muzzle, and nice expression but ears that are a bit low set.

#21 Patricia Murphy's **GCH BALLY'S YOU DON'T KNOW JACK ATT** (By GCHS CH Hawthorn Dragons Heart - GCH Bally's Got A Foot In The Dora)

A red smut, cobby dog with good conformation. Strong in strong pastern, neat feet, and lovely width and depth of body. Strength throughout, though a bit more angulation in the rear would help balance his nicely set shoulder. Good topline and tailset. Head is not exaggerated but has pleasing expression with well set ears, nicely filled.

#10 Krista Prater Piles & Cindy Nixon Perrott's **CH APPRENTICE PODIUM DREAMS BY FORMULA** (By GCH CH Action Devils Apprentice By Formula - Formula For Podium Drama)

This dark brindle and white competed strongly for BOV. Possesses a lovely topline and a correct tailset, with strong quarters and well-turned stifles, Head is well filled with pleasing expression, but could have more underjaw. Good body width with proportionate bone but pasterns could be stronger and feet neater.

**WHITE 3-4 (2-4)**

#9 Krista Prater Piles FORMULAS SWEET PRINCE (By CH Sarajeni Easy Rider - GCH CH Actions Formula For A Drama Princess)  
Strongly built dog showing depth and width of body and the best overall shape and construction in the variety. His soundness was evident, with a well set shoulder, good topline, and well turned, muscular thighs. He has a quality head lacking only some width of muzzle. Other head virtues include depth of muzzle, an unbroken profile, and a keen, varminty eye. However, his bite is slightly under and his ears could be a tad smaller. He has good strength and reach of neck to add to his virtues of construction.

#7: Marlene Campos Sanchez & Hector Ponce De Leon's HPB'S UNBEATABLE GERVONTA THE TANK (By GCHS CH Rasels Bull Ac/Dc BCAT ATT FITB - Arnold's Ronda Queen Of The Ring Hp)

While having enough width of body and good overall proportion he is a little straight in shoulder and short in upper arm (affecting his front movement) and could have neater feet. He is quite strong in the rear however with a correct, low set on of tail. Nicely arched neck and correct topline. Nice width of body and clean front straight on. Head virtues are well-set, keen dark eyes, and a perfect bite offset by a bit of a brow in profile. In comparison to the WD, lacks a little bit of muzzle strength and front construction not quite as good.

#24 Susan Liparulo, Barb Deevers, Cindy Perrott, & Mary Kay Migliore's APPRENTICE LOOKING FOR SHADE ON A SUNNY DAY (By GCH Formula For A Drama Free Brother CGCU TKA VSWI - GCH Apprentice's Gandy Dancin TKN)

Well put together bitch with quality in both head and construction. Length and turn of head is exemplary; eyes small and well set, and there is enough fill in the muzzle although there could be more underjaw. Ears a little on the low side. Bite correct except for one close canine. Strong body with enough bone, a good topline and the strongest quarters in the variety. Nicely angled in the rear. Neck has both strength and reach, shoulder is well set, and the chest is well sprung. Overall shape is a pleasing combination of contour and muscling both from the front and side on.

#10 Heidi Clayton's SORABULLY'S DOUBLE DOWN ON SUSHI POPS (By GCh SoraBully's Sushi's IchiBan - SoraBully's You Had Me At Konnichiwa)

Carries brindle over both eyes. Very similar to the WB so comparisons are inevitable. She is also strong in body, but a little flatter in topline and tail set higher without dropoff to the onset. Also strong in rear but not quite as well turned, and is slightly longer in proportion. Neck could be a little bit stronger, and more reachy. Nice length of head with a VERY slight flatness in the middle. Eyes not as keen as the WB, and the ears are a little low set. Bite occlusion is good with canines set tightly. Muzzle well filled. Has good width of body and a clean front but a bit slack in pastern.

### **Best of Variety**

#26 Gregory Armstrong & Victoria M Sottile's GCH ALARIC STAR SPANGLED SISTER (By GCH Malajo's Formula For A Drama Devil - CH Alaric Wish Upon A Star)

Bitch with a lovely body shape and proportion side on. Muscular and nicely contoured with chest of good width and depth. Balanced front and back although both could have more angle. Lovely forechest but a shortness in upper arm results in some loading of shoulder. While strong in body and neck, she could have a little more bone. Excellent head quality, smooth in profile, with a muzzle of good length, depth, and fill, and a stunning eye. Ears neat and well set.

### **Select Dog**

#15 Patricia Murphy's CH BALLY'S SQUIGGY WHEEL GETS THE GREASE (By GCH Ghosts'N Goblins Bold As Brass - GCH Bally's Got A Foot In The Dora)

Excels in body width and density, with bone to match. Clean front with lovely strength and reach of neck and a powerful, masculine head of great depth. Dark eye is a little open, and could have more fill, but correct bite. Topline is good, and while strong, the rear could have more angulation. Honest dog lacking only some of the finer points.

### **Select Bitch**

#22 Anna Cremeans, Beth Evans, & Jackson Leonard's GCHS CH GALACTIC BITTERSWEET LEGACY AT IRUKANDJI CGC TKN FDC BCAT (By Mighty Crew Irukandji - Galactic Double Star)

Fault / virtue bitch a little long in proportion (length of loin). Lovely topline with tail set correctly below. Strong, well angled rear. While her forechest is prominent, her upper arm is a little short. Seen from in front the front is clean with a chest of good width and depth. Strong head for a bitch with well filled muzzle, good pigmentation and a dark eye. Bite off. Hint of a brow.
