

Knickerbocker Bull Terrier Club

Westchester Kennel Club

September 7, 2025

My thanks to the Knickerbocker BTC for the invitation to judge this show and to the exhibitors for favoring me with the opportunity to go over each of your dogs. The entry, while numerically small, was of high quality. A very nice show grounds for a late summer show, you should give it a try.

Colored Bull Terriers

WD, BOV Tyler, Kuhn & Whitman **INDULGENCE A LONG TIME COMING** (Ch Clansmannn Super Flye Guy ex Ch Indulgence Flight Of The Dragon) Young red and white male just beginning to come into his prime. I was particularly impressed with his overall outline and balance. He has a very good head with good length, width and fill, and a very good profile and expression which is enhanced by his smut markings. Mouth is scissors, canines too narrow. Bone and substance very good for size and style of dog. Very good neck, withers and forequarters coupled with a moderately short back. Good angulation behind and carries his topline well on the move. Front movement parallel, rear a bit narrow. Overall, he was the best combo of head, type, bone substance and balance.

Select Dog Searles & Corse **GCH REQUIEM STAY KHROME PONYBOY ATT** (Ch Patterned Head Bull Boot ex Ch Khromeheart Corsaire From Provokacija) Masculine upstanding brindle and white boy. Strong profile with moderate length and fill. Nice neck and good shoulder. Bone and substance good for size and style. Well angulated behind. Moves parallel in front and close behind. While BOV had superior type and proportions, still this is a quality dog.

White Bull Terriers

WB Clayton's **SORABULLY DOUBLE DOWN ON SUSHI POPS** (GCh SoraBully's Sushi IchiBan ex SoraBully's You Had Me At Konnichiwa) Moderate size white bitch. Well balanced and good outline. Head is moderate length with good fill and adequate turn. Front and rear are balanced with good topline. Bone and substance good for size and style. Beautifully presented. Ideally, I would wish for a bit more profile and a bit keener expression, still a quality balanced bitch.

BOV Armstrong & Sottile **GCHB ALARIC STAR SPANGLED SISTER** (GCh Malajo's Formula For A Drama Devil ex GCh Alaric Wish Upon A Star) Medium size white bitch coming into her prime. Head has good length, very good width and fill. Mouth just a touch undershot. Excellent expression when holding her ears erect. Good neck, but a bit short through her withers with a shortish upper arm. Short back with good hind angulation. Very good type, with good bone and substance for size. Moves parallel in front and close behind. Was a tough decision

between this bitch and BOS. Both are high quality animals of excellent type. She has a tiny bit smoother fill and slightly better tooth placement. She was well presented.

BOS O'Doherty, O'Doherty & Prater-Piles **GCH FORMULA FOR A DRAMA FREE BROTHER CGCA CGCU TKA VSWI ATT** (GCh Action Devils Apprentice By Formula ex GCh Actions Formula For A Queen) Well known white dog. Excels in type, quality and balance. Head has good turn and excellent width and fill. First rate expression. Moderate angulation front and rear, with an ultra short back and strong stable topline. Slight mouth fault, a narrow canine. Very good bone and substance for size. He moves parallel in front, carries his topline very well and is just a bit choppy going away. I went back and forth with him and BOV, ultimately decided to go with her fractionally better mouth and smoother fill on the closest of calls.

Select Bitch Searles & Corse **CH REQUIEM CORSAIRE ALL THAT GLITTERS IS KHROME ATT** (Ch Patterned Head Bull Boot ex Ch Khromeheart Corsaire From Provokacija) A bigger white bitch with dark brindle head marks. Head is very strong, well turned and filled. Good expression. Mouth is undershot about 1/8". Fairly good length of neck and shoulder layback. Could use a little more length of upper arm. Well angulated rear, a touch long in loin. Moved fairly parallel in front and close behind. BOV had superior type.
